All are available on Amazon. The official Pearson textbooks (recognisable by the distinctive cover design with a large face and blue writing) The Hodder 'GCSE History for Edexcel' range The Pearson 'REVISE' Revision Guide and Workbook range
Geography	Edexcel	All students have been issued with an Edexcel textbook, GCSE (9-1) Geography specification A: Geographical Themes and Challenges. This needs to be returned in good condition at the end of Year 11. We are currently evaluating new revision guides and will circulate information to parents/carers about our recommendations. We are usually able to purchase these centrally at a discounted price and will endeavour to do this again, towards the end of Year 10. We also produce our own TBSHS case-study summaries and revision materials; these will be distributed prior to Year 10 exams and Year 11 mock exams.
