8.1 Sixth Form Expectations Agreement

The Sixth Form Expectations Agreement is an important document that outlines the expectations and responsibilities of the pupil in accepting a place at TBSHS. Parents and students should have already read this agreement in accepting their conditional offer of a place but we would be grateful if you could read the full agreement and *complete the Sixth Form Expectations Acceptance section of the **TBSHS Application System Website***. A copy of the full document is also included at the end of this handbook for future reference.

8.2 Sixth Form Dress Code

We are very proud of our formal dress code as it is very much part of our ethos. We expect our students to dress in a professional, formal and corporate manner, *i.e. what you would wear in a formal office environment*. **The standard of dress should be exemplary at all times and in cases of uncertainty the School's Interpretation is definitive.** Failure to adhere to our dress code will result in a sanction and any serious breaches of the Sixth Form Dress Code may result in a student being sent home.
