Health/Wellbeing

World Mental Health Day - 10th October

This year's theme is 'Make Mental Health and Wellbeing for all a Global Priority'.
With this in mind, there's lots of support from Kooth. For more information, Click here

Mental Health Mindsets Webinar

According to *Mental Health UK*, 75% of mental health problems start before a young person's 18th birthday.
In addition, recent research from the *Department for Education* found that mental health was cited as being one of the top reasons why apprentices may leave their apprenticeships before completion. *Mental Health UK* present this webinar on 17th October, time 1:00pm—2:00pm. [Click here](#) to register and find out more.

Apprenticeships

Students with a Unifrog log-in can see all apprenticeship listings, on-demand webinars and more
Students should research the many apprenticeship websites
(Amazing Apprentices, Springpod, Uptree, Success at Schools etc) and
if they haven't already, register with the government website, [click here](#)
Here's a flavour of what is available right now:

Should you have any questions about any of the above please contact the team at tasterdays@sheffield.ac.uk

And from *British Uni*, here's a list of university courses, [click here](#)

New Faces For Farming – Writtle College

Writtle are launching a new initiative which is a joint collaboration with *The Black Farmer* to provide diversity in the food and farming sector. The '***New Faces for Farming***' Residential School will take place on the evening of 31st March until 2nd April and is a **fully expensed**, residential camp for young people aged 16-18 who reside in the UK and who are in Year 12 or 13 and interested in a career in farming, but perhaps not from a traditional agricultural background. *New Faces for Farming* will be held at the countryside campus, near Chelmsford in Essex and will offer teenagers a taste of farm life and provide opportunities to think about a career in this sector. **More details** and the application form can be found [here](#). Students are highly advised to apply early to be in with a chance of securing a space.

Fast Forward Vocational Training

Fast Forward are a specialist training provider and have teamed up with *TeamSport* indoor Karting to offer an opportunity of acquiring skills and qualifications. Starting this autumn, students will study a Level 1 motor Vehicle Studies qualification, providing a stepping stone to more qualifications as well as experience to enhance employment prospects. For more information call Callum Thompson at Raceway Training on 077533 28926 or email callumthompson@racewaytraining.co.uk

Student Life Podcast

From *The University of Plymouth*, comes a podcast on what student life is really like. [Click here](#)

From UCL - Parents' Evening Support - parent/carer online conferences

Finally, here's some general information on open days and how to make the most of them, click [here](#)

Work Experience

Please ensure you speak with your Head of Year before attending sessions that fall on a school day

Years 7-13 Engineering Work Experience – October Half Term

The virtual work experience from *WSP* in Hertford takes place during October half-term (24th-28th October). Students complete various modules throughout the week run by engineers and consultants. Presenters will introduce students to their field of expertise (structures, environment, flood risk, drainage etc), talk about their role, their routes into industry plus real-world project experiences to be followed by an interactive activity. Sign up via <https://forms.office.com/r/fQtdwz5gJ3> or use the QR code on posters on Head of Year noticeboards.

Years 10-13 Virtual Work Experience – Springpod – October Half-Term

New programmes have been added such as [LNER](#), [Direct Line](#) and [Specsavers](#) plus there are opportunities in a wide range of careers such as Journalism, TV and Film and Marketing. For a full list of the programmes offered, [please click here](#). You can create a *Springpod* account by going to <https://www.springpod.co.uk/> and clicking 'get started'.

Here's a PDF overview of what's on offer in sectors. **All take place in half-term - register by 19th October.** [Click here](#)

Year 12 - Uptree – ARM Work Experience – October Half-Term

Students may like to know of this fantastic and reasonably local opportunity on Tuesday 25th October – [click here for more info](#). Also another opportunity to carry out work experience on 15th December- [click here](#).

Don't be put off by the location of ARM as they run a shuttle bus between Cambridge station and their premises in Cherry Hinton.

Insight: Careers In The Construction Industry With BAM

BAM and *Speakers for Schools* are running a virtual work experience programme. Click [here](#) for more information.

Work Experience – Princess Alexandra Hospital NHS Trust

All of the current work experience opportunities are now available to view and apply to via *NHS Talent Academy* - [Click here](#) There are a range of clinical and non-clinical placements across a range of specialities, areas and departments. Placement age and health restrictions apply.

Further placements at PAHT will be added to the NHS Talent Portal as they become available, including the Medical Shadowing Programme which is designed for those intending to apply for medical school.

To view and search for work experience placements, register for an account with NHS Talent Academy. Once registered, you will need to login to apply. For further information, please email Katoushka Larbey-Douglas (Learning and Careers Officer) katoushka.larbey-douglas@nhs.net

Uptree – Regularly Refreshed

Register for work experience days (*ARM*, *GCHQ*, *JP Morgan*, *Shawbrook Bank* and *Ogilvy* amongst others) in creative, finance, accounting, tech and more. Lots of new opportunities now available. [Click here](#)

CareerDays – Online Work Experience

CareerDays.co.uk is for any student aged 14-17 who wants to experience different careers or gain work experience in their chosen field. From medicine, law, performing arts, psychology, business or becoming a vet, we have a 1-day online event for you, designed to give you an insight into life in your chosen field. Visit www.careerdays.co.uk to enrol on any course.

Years 10-13 Work Experience via Speakers For Schools

There are **dozens of opportunities** available via the *Speakers For Schools* website. Do sign up so that you are able to view them – many are virtual so even more of a reason to sign up. To sign up, [click here](#)

Check out the TBSHS careers website where you'll find previous bulletins plus information including quizzes and research tools

UK Space Industry Careers

The UK Space Industry has an annual turnover of £16.4 billion and employs over 45,000 people. It continues to grow year on year. *The UK Space Innovation and Growth Strategy* has a target of achieving 10% of the global space market, which is estimated to be £400 billion by 2030.

These interactive online careers conferences will explore the range of careers available before delving further into the career choices of three speakers. Looking at how their career journey brought them to where they are today and what it is they do daily. This will be followed by a 30-minute Q&A session with the speakers. See below.

Year 10 -13 National Space Academy Online Careers Conference

The National Space Academy invites you to join in the third series of online careers conferences to explore the diversity of careers within the space sector. You will be joined by three exciting speakers within the industry who will share their journey of how they reached where they are today and what it is their job entails on a day-to-day basis.

Sat, Dec 3, 2022 10:30 AM – 12:30 PM GMT

It runs from 10.30am – 12.30pm and includes 2 short breaks.

For more information on the event, please [Click Here](#)

Considering a Career In Construction?

Then consider *the National Construction College*. Once you have an employer, explore all the trades available to train in. [Click here](#)

Years 8-13 Doctors Live

The Anatomy Club is a 3-month after-school programme covering all 12 organ systems. The sessions run for 2 hours weekly, led by two practising doctors. They cover the body systems in a fun and interactive manner by dissecting our virtual anatomy model. They also cover diseases affecting the organ system and try to solve anonymised real-life patient cases together. Sessions are aimed at any students interested in Science and Healthcare who want to learn something outside of the school curriculum. The course suits all students aged 13 and above. Certificates will be provided for participation. Below are some further details:

DoctorsLive - Virtual Anatomy Club Weekly (November 2022 to January 2023) - Live Every Tuesday 6pm-8pm

1. Learn about the fascinating workings of the human body from the comfort of your home
2. Cover all 12 organ systems
3. Solve real-life patient cases, including history taking and anonymised scans
4. Live virtual operations - showing step by step how common surgeries are carried out
5. A chance for students to interact with practising surgeons and doctors
6. Each live session is recorded and can be accessed anytime

The entire three-month program, including handouts, recordings and certificates, is priced at **£59 per student**. For more information and to enrol, please visit the link: <https://doctorslive.co.uk/anatomyclub/>

Years 9-13 Online Careers Days

Hosted online & live, students can learn about future careers and take part in interactive sessions where you can gain some experience to help with university applications. The schedule is as follows:

Medicine Career Day - Saturday 8th October 2022

Dentistry Career Day - Sunday 9th October 2022

Midwifery Career Day - Saturday 15th October 2022

Psychology Career Day - Saturday 5th November 2022

Business Career Day - Saturday 12th November 2022

Architect Career Day - Saturday 19th November 2022

Vet Career Day - Saturday 26th November 2022
Law Career Day - Saturday 3rd December 2022
Computer Science Career Day - Saturday 10th December 2022
Performing Arts Career Day - Saturday 17th December 2022
Visit www.careerdays.co.uk to choose a session.

Protecting Our Planet Day – 10th November

STEM Learning are launching POP22 featuring live link-ups and inspirational talks from innovators and experts working to tackle climate change. Listen on demand and learn about the current climate challenges and the effective actions to mitigate them. The programme includes a session from the captain on one of the most advanced polar research vessels in the world, the *RRS Sir David Attenborough*. There are exclusive interviews with the Exec Prod & Series Prod of *Frozen Planet II*, link ups with researchers based around the planet including the Antarctica, American temperate forests and Australian Mangroves/woodland savannahs – plus much, much more.

There are sessions dedicated to the planet's most precious ecosystems; *Protecting Our Ice, Oceans, Forests and Earth*. Sessions too from patrons and panels on their journeys from studying STEM subjects who will demonstrate how one can **follow a career path where you can tackle climate change and work on cutting-edge research and environmental projects**. General information regarding the programme [here](#). [Sign up to sessions here](#)

From university and apprenticeships to work experience, *Success at School's 2022/2023 Careers Guides* are packed full of advice to help support your child in making the best career choices for them. [Click here](#) to register and obtain direct.

Years 8-9 Fire Cadet Unit, Harlow

The Fire Cadet Unit is re-opening this Autumn at Harlow Fire Station. Learn about firefighting techniques, basic first aid, fire safety at home, fundraise – and support your Fire & Rescue. Find out more at [Fire Cadets \(essex-fire.gov.uk\)](http://Fire Cadets (essex-fire.gov.uk))
Send applications to essexfirecadets@essex-fire.gov.uk

Careers In Chemistry - Inspiring Chemistry Career Profiles

Case studies are a brilliant way of illustrating how students can apply what they learn to the real world. As part of the *Chemistry: Making the Difference* campaign, *The Royal Society of Chemistry* have produced a new collection of case studies promoting the vast range of different career paths that open up to students who choose to study

chemistry. See where chemistry can take students in their future – as well as the difference they could make to the world. [Click here](#)

Engineering Case Studies

Discover new case studies; Nargiza and Matt show us how maths can help make more comfortable shoes, and how engineering and creativity can lead to something magical.

Meet Nargiza - a researcher working in medical imaging. She uses maths and computing skills to help doctors look after our health and wellbeing.

Meet Matt - a systems engineer who works on submarines, but in his spare time he also works with his friends to create *The3Engineers* storybooks.

Discover more careers inspiration on [Neon](#).

Careers & Enterprise – Career Webinar – Interior Design – Tomorrow - Thursday 6th October

Interior designers make indoor spaces functional, safe, and beautiful by determining space requirements and selecting essential and decorative items, such as colours, lighting, and materials. They must be able to draw, read, and edit blueprints. Perhaps you are naturally creative and maybe you enjoy rearranging space and furniture at home? Interior Design is a wonderful career for creative people with an eye for detail. In this webinar you will hear from an experienced Interior Designer, Kailee Lane, who works for an Interior Design company based in Hatfield. She will talk you through her own career, what an average day looks like and what she most enjoys about her role.

The webinar takes place tomorrow, Thursday at 4.30pm. Registration is now live via HOP -

<https://www.hopinto.co.uk/explore-careers/virtual-employer-encounters/>

Year 8-13 Insights: Your Guide To Careers In STEM - Thursday, October 13th 2022 5.30pm-7pm (Virtual)

This event has been designed to showcase the huge range of careers within STEM in the region. Staff will give you a real understanding about the environmental and technological challenges that we face, and the solutions they are coming up with to tackle them. The volunteers from a range of different companies, will give an excellent insight into their work and pathways. This virtual event is open to all students from Years 8 and above and is designed to allow students to:

Interact and connect with some of the region's leading STEM sector employers

Learn about pathways available to a career in the STEM sector, including apprenticeships and graduate opportunities

Find out about different jobs and opportunities

HSBC Monthly Webinars

A taste of success – Bite-sized virtual events The Early Careers team at *HSBC* have created a series of bite-sized virtual events and supporting material, all designed with the aim of developing soft skills. These are all geared to give confidence on current and future employment prospects, myth bust common recruitment misconceptions and target key employability skills to give you an advantage when looking for a career. The zoom webinars are free to attend - spaces are limited, and will be allocated on a first come, first serve basis.

October:

Thursday 13th October 2022 17:30 - 18:30pm

Do I need a degree to succeed?

Free Resources From STEM Learning

To support parents and carers, our subject experts have put together a selection of activities and materials, which are free for everyone to access. [Click here](#)

General

Step Into The NHS : Schools Competition

The careers competition provides an opportunity for students to learn about the wide range of roles in the *NHS* and to raise your career aspirations at the same time. To enter, students are asked to create a unique job advert for the role they've chosen. This year, students will help celebrate the *NHS*' 75th birthday. As ever, *Amazon* vouchers and *NHS* goody bags are up for grabs but this year, winners will also get the chance to have their job advert put on public display, and over 100 entries will be showcased in a new online gallery.

Students can complete their entry on their own or as a team, either in class, or at home as part of a term project.

The competition is open until 30 April 2023 and you can enter at any time between now and then. [Click here](#)
