

## Careers Information & Opportunities

**Dear Parents, Carers & Students**  
**Please find below this week's Careers News.**  
**If you have any career tips, comments, suggestions**  
**– or come across useful resources - *feel free to email.***  
**[claire.jonas@tbshs.org](mailto:claire.jonas@tbshs.org)**

## Special Announcements

### **Year 11 Assembly How To Choose Your A Levels**

This week, Year 11 had a fantastic and informative assembly on general considerations when making their post-16 choices. Mrs Price was joined by three of our current Year 12 students who outlined their choices and explained their motivation for choosing particular A levels. The assembly slides can be seen here:

[Yr11 Choosing Options Assembly Nov22](#). It contains some useful links for exploring subject combinations further. For those applying to TBSHS Sixth Form, it will be possible to amend subject choices as thinking develops after the 16<sup>th</sup> December deadline by writing to [admissions.sixthform@tbshs.org](mailto:admissions.sixthform@tbshs.org).

**Sincere thanks to Mrs Price for giving up her time to support the Year 11s with such an excellent assembly.**

### **Bishop's Stortford Young People's Centre**

I recently attended the opening of the newly refurbished **Young People's Centre** located at Northgate End in Bishop's Stortford. The refurbishment is fantastic; light & bright with phenomenal new facilities (music studio, gym, cooking etc). There are some inspiring projects taking place such as *Friday Night Project* and *Duke of Edinburgh*, [click here](#) for more information. Plus there's information on projects taking place in the surrounding area via the above link.

## Apprenticeships

***Students with a Unifrog log-in can see all apprenticeship listings, on-demand webinars and more***  
***Students should research the many apprenticeship websites***  
***(Amazing Apprentices, Springpod, Uptree, Success at Schools etc) and***  
***if they haven't already, register with the government website, [click here](#)***  
***Here's a flavour of what is available right now:***

### **GSK Apprenticeship Evening**

The GSK manufacturing site in Ware will be holding an Apprentice Open Evening on **12th January 2023** for students & parents to learn about apprenticeship opportunities and chat with current apprentices and managers. There will be two sessions to choose from – **16:30-17:30** or **18:00-19:00**. Anyone who is interested will need to register for a place at the event using this [link](#). **The closing date for registration is 2nd December, but the survey may close earlier if we reach full capacity, so early application is strongly advised.** During the session attendees will have an introduction to the open evening & then hear from 4 apprentices about their experiences. Following this, attendees

will be able to walk around the stalls that have been set up for each individual apprenticeship on offer. This will be an opportunity to talk to both apprentices and managers about the apprenticeship scheme and ask any questions. The apprenticeships that we will be showcasing on the day are: Engineering, Laboratory Science (Chemistry & Biology), Supply Chain, Manufacturing, Manufacturing Science, Data Science, Pharmaceutical Science

### **Years 12-13 Uptree/GSK Event Opportunity – 6<sup>th</sup> December 101m-3pm**

Students are invited to register and join this educational early career talent event:

[Application Masterclass with science led company GSK](#). Students will have an opportunity to get support with their application process for early career opportunities at GSK.

### **BBC Apprenticeships**

BBC Apprenticeships 2023 are now live. All the adverts for BBC wide opportunities can be found here:

[Early Careers - Careers \(bbc.co.uk\)](#) **UK Ops Apprenticeships for 2023 cohort are as follows:**

## **UniTasterDays Parents' Guide to University FREE To Download**

*The Parents' Guide to University* has been produced by *UniTasterDays.com* in collaboration with *HELOA* - to help parents or guardians support their young person with their higher education decisions. Editorial has been provided by over 40 colleagues at universities and schools and colleges throughout the UK on topics including student finance, university applications, university events, student wellbeing and more. [Click here](#)

## **University College London Parents Guide to University**

Starting university is a major turning point in a young person's life. This can be an anxious time for parents and carers. *UCL* have created a guide that aims to answer some questions for parents and carers. [Download here](#)

## **Uni Taster Days - University Event Directory**

*UniTasterDays* are hosting online university events for students and here's a handy one-stop directory where you can search online. There are listings for taster days, masterclasses, workshops and open days in every imaginable subject – some 127 pages – with filters! Additional sessions such as, *Understanding The UCAS Process*, *UCAS And Personal Statements* and *Student Life*. It's available [here](#). **Special Note:** Workshops can prove useful background research for subjects, EPQs etc. Here's a link to the home page of this terrific directory:

<https://www.unitasterdays.com/> The latest bogs feature an [introduction to university widening participation and fair access](#) and a [guide to the 2023 student finance changes](#).

## **UCAS for Parents**

The UCAS website provides a wealth of information geared towards parents including a guide that you can download and information on financial support and budgeting, [click here](#)

## **Years 11-12 – Have you Considered All The Options?**

University is a great choice for many students but if you're not sure, there are other options. [Click here](#) for an overview from *Success At Schools*. For the pros and cons of university, [click here](#). Which university and what degree to choose? There's some help [here](#) and [here](#). Finally, here's some general information on open days and how to make the most of them, click [here](#)

## **Work Experience** (Check with Head of Year before attending sessions that fall on a school day)

### **Years 12-13 Uptree/ARM Event**

[Technology Work Experience Day with a company Arm specialising in artificial intelligence.](#)

Students will have an opportunity to be tech specialists for a day - they will shadow and learn from the industry specialists. The event is running on Thursday 15th December, 10AM - 3PM, In person.

### **Years 10-13 Springpod Opportunities**

Focusing on multiple areas such as engineering, innovation and technology, this programme with the *Institute of Acoustics* is ideal for students in years 10-13, and covers a wide range of technical and employability skills. Complete at your own pace – application deadline 11<sup>th</sup> November. [Click here](#)

### **Years 8-13 NHS Virtual Work Experience**

This initiative is called *Healthcare Horizons* - an online platform from Barts Health. There are free resources which have been designed for young people aged 13 and over who want to learn more about their chosen profession, get university application tips or find out more about all the rewarding careers on offer in the health sector. Work at your own pace at any time. [Sign up now here](#)

### **Uptree – Regularly Refreshed**

Register for work experience days (*ARM, GCHQ, JP Morgan, Shawbrook Bank and Ogilvy* amongst others) in creative, finance, accounting, tech and more. Lots of new opportunities now available. [Click here](#)

### **CareerDays – Online Work Experience**

*CareerDays.co.uk* is for any student aged 14-17 who wants to experience different careers or gain work experience in their chosen field. From medicine, law, performing arts, psychology, business or becoming a vet, we have a 1-day online event for you, designed to give you an insight into life in your chosen field. Visit [www.careerdays.co.uk](http://www.careerdays.co.uk) to enrol on any course.

### **Years 10-13 Work Experience via Speakers For Schools**

There are **dozens of opportunities** available via the *Speakers For Schools* website. Do sign up so that you are able to view them – many are virtual so even more of a reason to sign up. To sign up, [click here](#)  
[www.speakersforschools.org](http://www.speakersforschools.org)

## **Careers**

***Check out the TBSHS careers website where you'll find previous bulletins plus information including quizzes and research tools***

***Home page: <https://tbshs.org/careers/>***

### **From The Institute and Faculty of Actuaries - What is In Actuary?**

If you really love maths then the actuarial profession may be for you. Here we help you understand **what an actuary is, what they do, where they work, and why you should consider becoming an actuary.**

Actuaries are problem solvers and strategic thinkers, who use their mathematical skills to help measure the probability and risk of future events. They use these skills to predict the financial impact of these events on a business and their clients.

Businesses and governments increasingly depend on the skills of actuaries and analysts to help them model and plan for the future. As the world changes at an increasingly rapid pace, risk management expertise can help businesses navigate this evolving landscape. Discover your strengths and find out if you could become an actuary in the **online personality quiz.**

Find out more in the webinar taking place on 6<sup>th</sup> December 6.30pm-7.30pm. [Click here](#)

### **Prospective Medics**

With medicine interviews starting soon, it is important that aspiring medics are as prepared as possible.

*Medical Projects* contacted every medical school in the UK to gather the following information for their latest report, which outlines:

Every medical school's interview process

The number of stations and questions students can expect

Which medical school is doing "asynchronous" interviews

Which medical schools are conducting online or in-person interviews this year

When students will be invited for interviews and when the interviews will happen

You can read the full report here: [2022/23 Medical School Interviews Report.](#)

**For additional support for students, there is an *Ultimate MMI Course on 19th November* - you can book your space here: [Ultimate MMI Course](#). It's a live-online course where interview experts will cover everything from common interview questions, "breaking bad news" stations and "role play" stations, to how to avoid "red flags" and more. *Please note, there is a charge***

### **Doctor/Dentist**

King's College London [Medicine and Dentistry Lecture Series 2023](#) is now open. This programme is for students across the UK in Year 11, 12, and 13 who have only attended non-selective state schools since age 11 and are interested in becoming a doctor or dentist.

Over the course of the 14 lecture programme, students will hear from a variety of speakers to help them make the best application to medicine or dentistry possible! Last year's lectures included the following:

Medical and dental specialities: cardiology, prosthodontics, renal transplant

Q&As each week with current medical and dental students as well as a lecture dedicated to the student experience.

A session on other careers in healthcare with six professionals currently working and teaching in the sector (nursing, dietetics, clinical science, etc.)

September Q&A with key admissions colleagues in the schools of medicine and dentistry at KCL and UCL.

Lectures on the application process: the UCAT, personal statements, and interviews.

Lectures will be held on Tuesday evenings at 6-7.15pm and will run in blocks of three throughout 2023. The first three lectures will take place on the 31<sup>st</sup> January, 7<sup>th</sup> February, and 14<sup>th</sup> February. The remaining three blocks of lectures will take place in Spring and Summer. For more information and to apply, [students should follow this link](#). The deadline to apply is **Friday 16<sup>th</sup> December 2022**.

### **Maths In Medicine**

Case Study: Nargiza is a researcher working in medical imaging. She uses maths and computing skills to help doctors look after our health and wellbeing. [Click here](#)

### **Doctors Live**

In this full-day course, students will gain insight into the world of Surgery and learn what it's like to be a surgeon. The online interactive course combines real-life surgical cases with real-time surgical theatre simulations as well as guest speakers from varied specialities to share an insight into their lives. In addition, attendees will receive a suturing kit in the mail and learn how to suture in a live demonstration. The next *SurgeryLive* virtual course will be held on Saturday, December 3<sup>rd</sup>, 2022. ***Please note, there is a charge***. More information and enrolment can be found on the website at: [www.doctorslive.co.uk/surgerylive](http://www.doctorslive.co.uk/surgerylive)

### **Space Medicine**

On 28<sup>th</sup> November there's a 1 hour workshop from a Space Medicine student where you can learn about the research and importance of medicine in Space exploration. Other experts in the field will also share their experience and career pathways.

### **Medics Webinar Courtesy Of Long Road Sixth Form College**

*Long Road* in conjunction with *In2med*, are hosting a free webinar to support students with an upcoming multiple mini interviews (MMI). It takes place on Sunday 27<sup>th</sup> November from 10am to 12pm.

The link to the event is <https://www.eventbrite.com/e/medicine-mmi-interview-workshop-tickets-466512620807>

### **Timetable**

10am – 10.20am — Introduction and structure of the MMI Interview

10.20am – 10.40am — How to Adapt your Personal Statement For Interview

10.40am – 11.00am — Introduction to Medical Ethics Questions

11am – 11.20am – How to Answer Data Interpretation questions

11.20am – 11.45am – Watch a model Mock MMI Interview

11.45am -12pm – Q&A and Conclusion

*In2med* is run by two recently qualified Doctors who trained at Cambridge University. They offer lots of free advice on their website (<https://www.in2med.co.uk/>), as well as offering some courses for which there is a fee.

### **Careers in Culinary – Webinar 17<sup>th</sup> November 4.30pm**

The next *HOP Careers* Webinar will focus on Careers in Culinary. This will be of interest to students who may be interested in learning about Careers as a Chef (Culinary). Registrations are now open via HOP here - <https://www.hopinto.co.uk/explore-careers/virtual-employer-encounters/>

### **Careers In Horse Racing**

Horseracing is the second largest spectator sport in the UK, supporting over 85,000 jobs. There are so many different careers available from working directly with horses in a racing yard or stud farm to running large events at racecourses and race meetings.

#### **British Horseracing Development Programme**

This Programme, which has been running for over 30 years, provides an invaluable source of talent to the sport of Horseracing. Applications open each November and close at the end of February. The Programme starts with a free two week residential introduction course and is followed by paid placements for at least 8 weeks over the Summer. It is suitable for candidates who have completed Degrees, Higher Apprenticeships or have equivalent skills and capabilities. [Find out more here](#)

#### **Racing Media Academy**

The Racing Media Academy provides a pathway into Horse Racing for those who love the idea of working in racing but can't necessarily, or don't want to ride or work directly with horses. The Racing Media Academy gives its students the opportunity to undertake work experience and training within racing's top media houses including Sky Sports Racing, Racing TV and the Racing Post. An intensive week's training has been designed at the British Racing School, where students will get an insight into the world of Horse Racing and learn about the different areas of the media. Applications for 2023 will be open shortly. [Find out more here](#)

#### **Entry to Stud Employment Programme**

If you want to work directly with horses, take a look at the opportunities available in the Thoroughbred Breeding industry. The National Stud, based in Newmarket, offer a 9 week residential period of training that upon completion leads to a 6-9 month paid work placement at a UK stud farm. During this time you will complete a Level 2 Work Based Diploma in Racehorse Care (Breeding Option). Applications are now invited. [Find out more here](#)

**Explore other opportunities in racing by visiting <http://www.careersinracing.com>**

### **Jobs Live News Channel With Balfour Beatty**

Each week *Jobs Live* will be meeting Balfour Beatty to find out what part they play in designing and building a major construction project along with some hints and tips for applying into Balfour Beatty now and in the future.

**In the Industry - Health and Safety - Join on Thursday 17th November at 10:00am**

**In the Industry - Material Selection - Join on Thursday 24th November at 10:00am**

All broadcast are available free: <https://jobsliveuk.com/partner/balfour-beatty-careers>

### **Year 8-13 Insights: Your Guide to Construction Careers**

Cambridgeshire has excellent career opportunities in Construction and this event will give you a chance to listen and ask questions of career professionals in the sector.

This event will be held between 5.30pm and 7.00pm on Wednesday, December 7th 2022 and is designed to showcase the huge range of careers within Construction in the region. Volunteers will be able to give you a real understanding about the environmental challenges that we face, and the solutions they are coming up with to tackle them. From a range of different career paths, they will give an excellent insight into their work. This virtual event is open to all students from Years 8 and above, as well as their parents / guardians, and is designed to allow students to:

- Interact and connect with some of the region's leading Construction sector employers
- Learn about pathways available to a career in the Construction sector, including apprenticeships and graduate opportunities
- Find out about different jobs and opportunities

In order to register a place, please click on the following link: [bit.ly/FtInsightsConstruction](https://bit.ly/FtInsightsConstruction)

### **Careers In Construction – Interactive Website**

Try out this interactive construction site to discover different construction roles. Tap your way through meeting construction workers and learning about the job roles - if you like the sound of the role, go ahead, and click through to the full job role page. [Click here](#)

### **Years 10-13 Skills Gap Workshops**

**About Skills Gap:** *Skills Gap* is a career accelerator that runs insightful workshops for young people aged 15-19 – offering a range of intensive workshops this winter, delivered to small groups by experienced industry experts.

To book any of the workshops, [click here](#) **Please note, there is a charge**

### **AI for Scientists – 26<sup>th</sup> November**

Genome sequencing, protein-folding, quantum computers... AI is transforming every area of science. The online workshop, taught by a science expert, introduces you to AI in different scientific fields and valuable tech skills for science professionals. You'll also get practical experience training a machine learning model to predict the trajectory of the Covid-19 pandemic – a great addition to your CV.

### **Robotics in Space – 3<sup>rd</sup> December**

From exploring the surface of Mars to sizing-up metallic asteroids, the race is on to unlock the mysteries of the universe and answer our planet's biggest challenges. Taught online by robotics experts, this workshop gives a fascinating insight into today's space industry. Take part in a hands-on exercise to design an autonomous robotic lander to explore Europa and get career tips and advice to get ahead.

If you're looking for a competitive edge for your studies or career, the workshops are the perfect opportunity to arm yourself with valuable skills and knowledge

### **Years 10-13 Lloyds Banking Group Careers Webinar**

Discover everything you need to know about *Lloyds Banking Group* during this interactive event.

On: 13th December 2022 at 6.30 - 7.15 pm

For: Students and parents, Years 10 to 13.

Learn about apprenticeships at *Lloyds Banking Group* & hear from current apprentices (a day in the life of an audit and data apprenticeship), organisation insights including what skill sets Lloyds are looking for, their culture and values, how they want to build the bank of the future and where an apprenticeship with Lloyds could take you.

Plus there'll be a Q&A session, where you'll be able to ask questions directly to their recruitment teams. [Click here](#)

**Upcoming webinars (details to be shared soon):** CBRE Real Estate (January 2023), National Audit Office (January 2023), Jaguar Land Rover (February 2023), EDF Energy (February 2023), Deloitte (February 2023)

### **Live Webinar: Planning Your Future**

This event is suited to students in year 9, 10 & 11 and will discuss the different options available after high school, career routes & pathways, as well as case studies and stories from panellists from a variety of different backgrounds.

Wednesday 30<sup>th</sup> November 2022 from 17:00-18:30pm. [Click here to register](#) for this webinar.

### **Therapeutic Radiographers Opportunities**

#### **Recruitment Webinar - Wednesday 23<sup>rd</sup> November 2022 12:00 – 12:30pm**

If you are interested in exploring new career opportunities and would like to know more about roles or what is on offer within a Radiotherapy Department, please join an online Virtual Recruitment Webinar where you will find out about: Joining the Radiotherapy workforce, Specialised training, Career/education opportunities, Apprenticeship opportunities, Benefits of working at CUH

**To book your space to meet the team and find out more, scan the QR code below to register for the webinar**

<https://bit.ly/3UYOCH3> To find out more, visit: [careers.cuh.nhs.uk](https://careers.cuh.nhs.uk)

### **Know Your Chosen Career?**

If you know your chosen career but you're not sure how to get there, take a look at this page from UCL' website – [click here](#) Scroll down the page to see what careers you might consider with your A Level subjects..

### **From Idea To Career**

In this booklet there are 12 different engineering disciplines to help students work out which area(s) might be right for them. This resource is also available to order in print, free of charge or download for [free click here](#)

## **BBC Bitesize**

*BBC Bitesize* have some great advice from leading careers experts and over 350 job case studies from people who've found the right path for them. [Click here](#) for the home page. Check out *Where could your favourite subject take you?* *Explore careers by job sectors* and *Careers A-Z – Find your Perfect Job*.

## **Careers Websites**

**All About Careers** When free, do take a look over the *All About Careers* website as there's lots of information to digest regarding careers, [click here](#)

**Skills2Bank & Skills 2Use Apps** These apps were demonstrated to TBSHS staff and they might of help to students – especially the information on interviews. The link below takes you to short videos which will explain the apps and provide download links: <https://linktr.ee/skills2use>.

## **Years 10-13 PwC Virtual Classroom**

The *Virtual Classroom* provides students & parents an insight into building a career at *PwC*. Learn about *PwC*, what they do and the opportunities they have available. You'll also have the chance to ask questions to recent *Flying Start* and School and College Leaver joiners. [Click here](#) to register. Early Careers Job Search link to the website is [here](#)

## **Find Out More About Individual Jobs**

For snapshots into the world of work, visit the *icould* website to explore hundreds of videos about different jobs - search by filters such as job type and school subject. [Click here](#)

[Not sure what to do after year 13?](#) on Tuesday 22 November at 5pm

### Personality Quiz - For Studying

If students are unsure of what mode of study might work best for them, it may help them to know what type of personality they have. *16personalities* is based on the established *Myers-Briggs* personalities. Complete as honestly as you can to see a more accurate result. [Click here](#)

### Skills You Need – Active Learning

Students should be encouraged to mix up their learning techniques to avoid 'comfort zone' learning and engage with techniques that go beyond memory recall and support understanding - such as creating flashcards, running a quiz, debating, presenting. This web page is a great resource for helping students to identify their learning style, as well as suggested revision activities.

### Years 9-11 Inspire Critical Thinking

*Inspire Critical Thinking* is a free online programme for pupils in Years 9, 10 & 11 who attend a non-selective state school in the UK. The theme for 2022/23 is '*Is Sport Ever Fair?*', and each workshop will contain lots of exciting articles and interviews from Oxford academics, as well as competitions to enter.

### Free Resources From STEM Learning

To support parents and carers, our subject experts have put together a selection of activities and materials, which are free for everyone to access. [Click here](#)

## General

### Year 7-13 World Kindness Competition

In honour of *World Kindness Day*, *InvestIn* invite students age 12-18 years to enter their competition, *The Young Photographer Challenge*. Students should submit a photograph they have taken of an act of kindness, along with a short caption explaining what's happening. **The competition is free to enter and for each submission we shall make a donation to Mind, the mental health charity. The deadline for entries is 5pm on 2nd December.**

The winner will receive a free place on one of *InvestIn's* weekend career masterclass programmes and all shortlisted entries will be shared on social media channels. [Click here](#) for info.

### Year 8-13 Find Your Potential Competition

*Careers Sense Find Your Potential* is an initiative from *Nat West* to help students increase self-awareness and confidence around skills, strengths and values. Students can use online tool to generate a personalised report as they prepare for future choices and the world of work – plus have the chance to win a £100 Amazon voucher.

Closing date is 31<sup>st</sup> December. [Click here for information](#)

### Year 8-13 Career Sense Competition

Submit a picture or short video demonstrating a skill you're building to become work ready. Complete the submission form with a short description detailing how the activity is helping you prepare for the world of work. There are two age categories with the chance of winning a personal laptop and career coaching session. [More information here](#)

### **Green Events Calendar**

Find out how you can continue to recycle and reuse resources with *Amazing Apprenticeships* green events calendar, which lists campaigns and events throughout the year that explore themes around the environment and sustainability. Be the first to know about events like *Recycle Awareness Week* and *World Nature*. [Download here](#)

### **Sustainability Careers Quiz**

How much do you know? Test your knowledge with this fun and interactive quiz to learn more about sustainability and the different careers available. [Click here](#)

### **Common Good Challenges**

Engineering challenges that inspire young people to give engineering a go and follow in the footsteps of great engineers. All content is freely available – anyone can have a go at home. [Click here](#)
