Visit the [website](#) to find out more.

### **Summer Schools – Royal Veterinary College**

**Year 10 Easter School** - Are you in Year 10 and want to work with animals in the future? The RVC's two day free Year 10 Easter School is taking place on the 3<sup>rd</sup> and 4<sup>th</sup> April 2023 at their Camden campus in London.

You will take part in lectures, practical's and Q&As with our world-leading researchers. You will focus on hands-on experiences in our labs, anatomy museum and with our animals, and you will also get the chance to meet current RVC students, other young people with a passion for animals and professionals working in a range of animal science careers. You will work together to solve veterinary case studies, reflect on career goals and how to achieve them and enjoy student social activities. To participate in this activity you must attend a state school and meet a number of other Widening Participation eligibility criteria such as being the first in the family to go to university, or being eligible for Free School Meals, or living in an area with low progression rates to higher education.

If you are interested [apply here](#). **Applications close at 5pm on 19<sup>th</sup> February 2023.**

### **Year 11 Summer School** - Are you in Year 11 and have a passion of working with animals in the future?

Join the RVC's three day free Year 11 Summer School which is taking place on 29<sup>th</sup> – 31<sup>st</sup> August 2023. You will enjoy two days at the Camden Campus in London, and one day at the Hawkshead Campus in Hertfordshire, where you will get the opportunity to tour our campuses and have hands-on experiences in our labs, anatomy museum and with our animals, as well as take part in lectures and practicals with world leading researchers. You will also get the chance to meet current RVC students, other young people with a passion for animals and professionals working in a range of animal science careers. Finally, you will work together to solve veterinary case studies, reflect on career goals and how to achieve them and enjoy student social activities. To participate in this activity you must attend a state school and meet a number of other Widening Participation eligibility criteria such as being the first in the family to go to university, or being eligible for Free School Meals, or living in an area with low progression rates to higher education. If you are interested then [apply here](#). **Applications close at 5pm on 31<sup>st</sup> March 2023.**

### **Year 12 Sutton Trust Summer School**

Are you in Year 12 and want to be a Vet or work with animals in the future?

Join the RVC's five day free Sutton Trust Summer School which taking place on 24<sup>th</sup> – 28<sup>th</sup> July 2023!

This year, you will be welcomed to the Summer School with an online launch session, where you will meet their team, house Student Ambassador, and RVC staff members, with a chance to ask questions before arriving at our campus. You will then enjoy five residential days at the Camden and Hawkshead Campuses from the 24th-28th of July, finishing with a graduation.

As well as taking part in online lectures and Q&A with world-leading researchers, you will get the opportunity to have hands-on experiences in teaching labs, clinical skills and equine centre, anatomy museum and with animals at the farm. In addition, you will work together to create group projects, solve veterinary case studies, and enjoy student social activities, and receive personal support to reach career goals and navigate the university application process. To participate in this activity you must attend a state school and meet a number of other Widening Participation eligibility criteria such as being the first in the family to go to university, or being eligible for Free School Meals, or living in an area with low progression rates to higher education. If you are interested [apply here](#).

**Applications close at 5pm on 31<sup>st</sup> March 2023.**

### **Year 12 Bioscience Summer School**

Are you interested in Biosciences and research? Join the RVC's two day free Year 12 Bioscience Summer School taking place on 14<sup>th</sup> and 15<sup>th</sup> August 2023!

You will enjoy one day at the Camden Campus in London on the 14th August, and one day at the Hawkshead campus in Potters Bar on 15th August. As well as lectures and Q&A with world-leading researchers, you will get the opportunity to tour the campuses and have hands-on experiences in the labs, as well as complete some local field work. You will get the chance to meet current RVC students, other young people with a passion for animals science and professionals working in a range of bioscience careers. In addition, will complete group work, reflect on career goals and how to achieve them, receive bespoke support through university applications, and enjoy student social activities. To participate in this activity you must attend a state school and meet a number of other Widening Participation eligibility criteria such as being the first in the family to go to university, being eligible for Free School Meals, or living in an area with low progression rates to higher education. If you are interested then [apply here](#).

**Applications close at 5pm on 31<sup>st</sup> March 2023.**

### **ASK Information Webinar: How To Impress Employers - Wednesday 8th February, 3:30 pm**

The session will provide you with some top tips from apprentice employers. You will hear directly from employers about the best ways to impress them and how to leave a positive lasting impression at the apprenticeship interview.

[Register here.](#)

### **All Years - UCL Informed Futures Widening Participation**

*Informed Futures* is a series of short online events aimed at equipping secondary school students with the knowledge and confidence to succeed in your next steps in education. Sessions will be hosted online. Audience participation will be encouraged through interactive elements such as games and quizzes and students will have the chance to ask questions by typing in the chat function.

#### **Dates for the Informed Futures series:**

Thursday 2 March 2023, 5-6pm - Get Ready For GCSEs

Thursday 9 March 2023, 5-6pm - Get Ready For A Levels

Thursday 16 March 2023, 5-6pm - Stepping Up Your Study Skills  
[Click here](#) for eligibility criteria & booking

### **Years 11-12 VetCam 2023 - Introduction to Veterinary Medicine At Cambridge University**

Following the successful courses held in recent years CU are holding another two-and-a-half-day residential programme for Year 11 and 12 students interested in applying to study Veterinary Medicine at Cambridge University. The course will take place on **Monday 3rd, Tuesday 4th and Wednesday 5th April 2023**. The programme will include visits to both the pre-clinical and clinical departments to give a taste of the course, insight into life at a Cambridge college, and a chance to meet staff and current students. Places will be limited to 130 on first-come-first-served basis.

***A note from CU: it would be sensible to encourage only likely A/A\*-grade candidates to attend. Please note that Chemistry A level (or equivalent) is mandatory, and we strongly recommend two other science subjects, normally Biology, Physics or Maths.***

(For information on entry requirements for different examination systems, please see [www.study.cam.ac.uk/undergraduate/apply/requirements](http://www.study.cam.ac.uk/undergraduate/apply/requirements))

To view a provisional programme for the event and for more information, please go to [www.vet.cam.ac.uk/study/vet/vetcam](http://www.vet.cam.ac.uk/study/vet/vetcam)

The 2023 course fee will be £280 for the all-inclusive two-and-a-half-day course; this fee covers all costs whilst attendees are in Cambridge. Attendees will be staying in St Catharine's College in single student rooms with shared bathrooms. [Book here](#)

***Attending this course, or other open days at Cambridge, while useful does not confer any advantage in the application process.***

### **Years 8-13 NHS Careers Untapped**

The next *NHS Careers Untapped Webinar* is focusing on Allied Healthcare Professions and Healthcare Science and is being held on **Wednesday 25<sup>th</sup> January from 4.30-6pm**. This webinar will showcase roles including Podiatry, Radiography, Play Specialist, Mammography, Bioinformatics and many more. This 90 minute free webinar is for young people aged 13-18, anyone interested in understanding careers in healthcare, and careers advisors who want to know more about the lesser-known roles in healthcare. To register for this event participants will need to click on this link: [Register for Careers Untapped Webinar](#).

### **Medicine for Members: Improving The Diagnosis Of Dementia In Memory Clinics**

#### **Can Machine Learning Help? Presented by Cambridge University Hospitals**

Takes place on Wednesday 25<sup>th</sup> January from 18:30-19:30, [click here](#)

Dr Timothy Rittman, will discuss the latest understanding of dementia, when it begins and how to detect it. Followed by a discussion on how a team of doctors and researchers are using new technologies with machine learning to support a more accurate diagnosis, and provide information not currently available to doctors about prognosis and disease severity.

The lecture can be joined via:

#### **1. Microsoft Teams - Please click the to register:**

**<https://bit.ly/3VYL99N>**

After registering, you will receive a confirmation email with details on how to join the webinar.

#### **2. Missed the talk? - A recording will be made available on the [CUH website](#) and [CUH YouTube channel](#).**

There will be a live Q&A at the end of the lecture. We welcome your questions and comments via Microsoft Teams during the live stream..

Click [here](#) if you would like to find out more about becoming a CUH Foundation Trust member.

### **Top Medical Schools for 2023**

An article from The Guardian. [Click here](#)

### **Medical Applications – Statistical Overview**

Click the link to read the report. [Click here](#)

**Years 7-13 My World My Future – Where Can STEM Take Me?** This is a 4-page downloadable guide from *Neon* for students of all ages, with suggested STEM inspiration content for young people to explore at home, including podcasts, competitions, books, TV shows, films, days out, social media accounts, activities and apps. [Click here](#)

## Personality Quiz - For Studying

If students are unsure of what mode of study might work best for them, it may help them to know what type of personality they have. *16personalities* is based on the established *Myers-Briggs* personalities. Complete as honestly as you can to see a more accurate result. [Click here](#)

## Free Resources From STEM Learning

To support parents and carers, our subject experts have put together a selection of activities and materials, which are free for everyone to access. [Click here](#)

## Resources From Balliol College Outreach

**Upcoming Outreach Events** On the [Oxford University Outreach Event Calendar](#), you can find a list of upcoming outreach programmes and events from across Oxford University.

**UNIQ 2023** UNIQ is the University of Oxford's access programme for state school students. We prioritise places for students with good grades from backgrounds that are under-represented at Oxford and other universities. Every year more students from diverse backgrounds get offered places at Oxford with help from UNIQ. This programme is for Y12 students from England and Wales, in the first year of A level studies or equivalent; Y13 students from Northern Ireland, in the first year of A level studies or equivalent; S5 students from Scotland, studying Highers or equivalent.

Y10 UK state school students of Black Caribbean heritage, Black African heritage, mixed Black heritage or other Black heritage	<b>EMPower Oxford</b>	Thursday 16 March to Saturday 18 March  The application deadline has now been extended to 15 January	<a href="#">Further information and applications</a>
Aspiring Physicists from <b>year 11 and above</b>	<b>Zooniverse Project</b>	Continuous events	<a href="#">More information</a>

**Connected Forces** The project is an opportunity **16-19-year-olds from Armed Forces families** across the UK from to make friends, keep in touch with those who have moved away, and mutually support each other through shared experiences.

[Young people who want to find out more can sign up here:](#)

**Non-course- specific programmes and events** [Astrophoria Foundation Year](#) Oxford's Astrophoria Foundation Year is a one-year foundation programme for UK state school students with significant academic potential, who have experienced severe personal disadvantage and/or disrupted education which has resulted in them being unable to apply directly for an Oxford undergraduate degree programme. Students will apply for their chosen degree course with a foundation year (for example Materials Science with Foundation Year). During the foundation year they will follow one of the following courses:

- [Foundation Year: Chemistry, Engineering and Materials Science \(CEMS\)](#)
- [Foundation Year: Humanities \(in Classics, English, History, Theology\)](#)
- [Foundation Year: Law](#)
- [Foundation Year: Philosophy, Politics and Economics \(PPE\)](#)

**Applicants to Astrophoria Foundation Year will submit their UCAS application in the January of the year of entry.**

### Super-Curricular Resources for Students

[Our Springboard videos](#) are designed to introduce students to a range of topics related to A Level and Degree Level study. Each has been designed and produce by our graduate students and each contain activities and suggestions about further resources to explore the subject. Please note we will be adding more videos on a rolling basis. Students need to answer a few short questions to access each video.

[These subject specific super-curricular guides](#) which are available for most A Level and GCSE subjects, contain suggestions for exploring subjects further by watching, reading, listening and doing. Please tell us about any suggestion you have to add to these guides.

[Oxford University Digital Resource Hub](#) – here you can find the best of our digital resources to support learning and exploration. They can help parents and teachers to feed the curiosity of growing minds and inspire them to think broadly.

### Videos from Balliol College

[In this video, Balliol tutors talk about undergraduate study](#), sharing insights into how tutorials work as well as the qualities they are looking for in prospective applicants.

[In this video, a third-year medical student gives prospective applicants a tour of Balliol](#), showing the Lodge, Library, Hall, Chapel, Junior Common Room and quads as well as undergraduate accommodation at the Broad Street site and in the new accommodation blocks at the nearby Master's Field site.

## General

### **Big Garden Birdwatch**

*Big Garden Birdwatch* is fun, free and for everyone - and you don't need a garden to take part. Counting birds from your balcony, or your local park will play a vital role in helping the *RSPB* understand how UK birds are doing. Sign up for your free guide and look out for birds 27-29 January. You don't need to be an RSPB member to take part, sign up is free. [More information here](#) and/or scan QR code.

### **Chemistry Changeovers Competition – Salters' Institute**

This award encourages students aged 16-17 to create a poster that identifies and tackles a societal issue within their community from one of the following themes: Travel and

Transport, Homes and Habitats, Health and Lifestyle

The award will consist of three stages; a poster competition, an in person interview, a celebration day at our annual awards ceremony. Winners will also be invited to join the Alumni Programme where they will have access to free networking event, mentors, and lectures from exceptional chemists and chemical engineers. More information [here](#).

### **Years 7-9 NHS Competition – Design A Poster**

Students must choose an NHS career that interests them, research key responsibilities, skills, experience required and qualifications then design a recruitment advert. [More details here](#) Individual or group entries welcome before the deadline of 30<sup>th</sup> April. Prizes too!
