DETERMINED POLICY ADMISSION CRITERIA FOR ENTRY IN SEPTEMBER 2024

Introduction

The number of registered pupils at The Bishop's Stortford High School (TBSHS) at the beginning of 2022/23 school year was 1196. TBSHS is an all-ability single sex boys* 11-16 school, with a co-educational Sixth Form admitting boys and girls at 16+.

The Published Admission Number for the year commencing September 2024 is 180.

Boys and girls are also admitted at age 16+ provided that they have the appropriate qualifications. The intended number to be admitted to the Sixth Form in 2024 is 200. The school's planned admission number (PAN) for external students is 32 who meet the stated minimum entry requirements.

In determining admissions to TBSHS the Governing Body are mindful that they have an overriding statutory duty to the general principle that pupils should be educated in accordance with the wishes of their parents provided those are compatible with the provision of efficient education.

The aims of the School

The Governing Body would like to encourage applications from prospective pupils from both the local area and surrounding villages who will, together with their parents, fully subscribe to a traditional disciplined environment, and whilst not formally a faith school, the school aims to maintain a broadly Christian ethos and promote excellence in all its pupils.

The Governing Body would particularly encourage a full commitment to, and participation in, the extra-curricular life of the School, for example in music, sport and creative performance, much of which takes place outside normal school hours and at weekends.

For Sixth Form entry the Governors wish to maintain the practice of offering places to those for whom a suitable course is available.

The Application Process

To apply for a Year 7 place at transfer time you must ensure that you complete a **Secondary Transfer Application Form/Common Application Form** online or in paper form, for the county in which you live by **31 October 2023**. Hertfordshire residents should access all the relevant information at www.hertfordshire.gov.uk/admissions. If you would like your son to take an aptitude test please complete the school's Supplementary Information Form (SIF) available on our website. Paper forms are also available and should be returned to: The Admissions Officer, The Bishop's Stortford High School, London Road, Bishop's Stortford, Herts CM23 3LU by 4.00pm on Friday 29 September 2023. The school participates in the Hertfordshire Local Authority co-ordinated scheme for Admissions and all deadlines within that should be adhered to by applicants.

The Governing Body will apply the admissions arrangements using the information submitted on the Secondary Transfer Form (STF)/Common Application Form (CAF) only.

The Admissions Process

If there are more applications for admission than places available at The Bishop's Stortford High School, the Governing Body will allocate places by applying the six criteria set out in this document.

All 180 places will be allocated simultaneously and no places will be held in reserve for any purpose.

The School will retain a list of continuing interest from September 2024; Arrangements for In-Year Admissions can be found on the school website.

Pupils with an EHC (Education, Health and Care) Plan that names the school will be admitted under Section 324 of the Education Act 1996. These children will be admitted within the school's PAN but before any child prioritised under the school's oversubscription criteria.

Thereafter: 90% of places will be allocated using the following four criteria in the order set out below with 10% reserved for aptitude tests.

Criterion 1	Children looked after and children who were previously looked after, including those who appear (to the admission authority) to have been in state care outside of England, and ceased to be in state care as a result of being adopted or became subject to a child arrangements order ¹ or a special guardianship order ² . <i>See below for further clarification regarding Children Looked After.</i>
--------------------	--

Criterion 2	Boys who have a sibling attending the school, in Years 7 - 13, at the closing date for applications will be admitted. <i>A sibling is defined as a brother, sister, half-brother, half-sister, adopted brother, adopted sister, step-brother, step-sister or a child of parent/carer of a child looked after/previously looked after living permanently* at the same address from Monday to Friday.</i> <i>*A sibling link will not be recognised for children living temporarily in the same house, for example a child who usually lives with one parent but has temporarily moved or a looked after child in a respite placement or very short term or bridging foster placement.</i>
--------------------	--

Criterion 3	Sons of teaching staff and support staff who have been permanently employed (either full or part time) directly by the school for two or more years at the closing date for applications; or a member of staff who has been recruited to fill a vacant post for which there is a demonstrable shortage. The staff member must be the child's legal parent (by blood, adoption or step-parent) and have been living at the same address as the child for a minimum of 2 years.
--------------------	--

Criterion 4	After criteria 1-3 have been applied (and allowing 10% for aptitude), 100% of the remaining places (i.e. those so far unallocated) will be allocated to children who at the closing date for application attend one of the following groups of primary schools. Places allocated will be based on the percentage of the total number of applications received from that group. For example, if 60 applications are received from Group A out of a total of 400 applications received under Criterion 4, ($60/400 \times 100 = 15\%$) then 15% of the remaining places will be allocated to Group A. This example is for illustrative purposes only. There is no hierarchy between or within each group.
--------------------	--

Group A	Group B	Group C	Group D	Group E	Group F	Group G
Manor Fields	Spellbrook	Hillmead	All Saints	Hatfield Heath	Albury	Furneux Pelham
Richard Whittington	St Joseph's	Little Hallingbury	Northgate	High Wych	Elsenham	Henham & Ugley
Thorley Hill	St Michael's	Thorn Grove	Summercroft	Little Hadham	St Mary's Hatfield Broad Oak	Rodings Primary School
	Windhill 21			St Andrew's Much Hadham	Takeley	

OVERSUBSCRIPTION FROM ANY PRIMARY SCHOOL GROUP A TO G
Recent experience shows that applications from any one group of primary schools will exceed the number of places available. In these circumstances, places will be allocated to pupils who live closest to TBSHS by Hertfordshire County Council's 'straight line' distance measurement system which is used for all home to school distance measurements. Distances are measured using a computerised mapping system to two decimal places. The measurement is taken from the AddressBase Premium address point of your child's house to a point of distance, which has been agreed by the Governors, on the new school site. AddressBase Premium data is a nationally recognised method of identifying the location of schools and individual residences.

Criterion 5	<p>Up to 10% (18 in total) of the Published Admission Number (180) will be allocated using the following criterion:</p> <p>Up to 9 places will be allocated to pupils with a proven aptitude in sport. Aptitude will be assessed using an appropriate sporting aptitude test.</p> <p>Up to 9 places will be allocated to pupils with a proven aptitude in music. Aptitude will be assessed by an appropriate musical aptitude test.</p>
--------------------	--

Criterion 6	<p>Should there be places unfilled after applying criterion 5, these will be allocated to pupils who live closest to the school, measured by the straight-line distance from the applicant's home address as determined by the Local Authority's distance measuring system. Hertfordshire County Council's 'straight line' distance measurement system is used for all home to school distance measurements. Distances are measured using a computerised mapping system to two decimal places. The measurement is taken from the AddressBase Premium address point of your child's house to a point of distance, which has been agreed by the Governors, on the new school site. AddressBase Premium data is a nationally recognised method of identifying the location of schools and individual residences.</p>

ADDITIONAL INFORMATION

- *Applicants wishing to be considered for a place under Criterion 5, sport aptitude, must tick the correct box on the Supplementary Information Form (SIF) indicating that they wish to take the test. They will be required to attend the School for a specific sporting aptitude test on Tuesday 10 October 2023 (time to be advised).*

DEFINITIONS AND EXPLANATORY NOTES FOR SEPTEMBER 2024

- **Admittance of students in Year 7-11 are those children deemed male at birth as recorded on the birth certificate.*
- *Criterion 1 – Places are allocated to children in public care according to Chapter 7, Section 2 of the School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012. Priority will also be given to children who were previously looked after, including those looked after outside England, but ceased to be so because they were adopted, or became subject to a child arrangements order¹ or a special guardianship order². A “child looked after” is a child who is:
a) *in the care of a local authority, or*
b) *being provided with accommodation by a local authority in the exercise of their social services functions (section 221(1) of The Children Act 1989).**

All children adopted from care who are of compulsory school age are eligible for admission under rule 1.

Children in the process of being placed for adoption are classified by law as children looked after providing there is a Placement Order and the application would be prioritised under Rule 1.

Children who were not “looked after” **immediately** before being adopted or made the subject of a child arrangement order or special guardianship order, **will not** be prioritised under rule 1.

¹ Child arrangements order

Under the provisions of the Children and Families Act 2014, which amended section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders which settle the arrangements to be made as to the person with whom the child is to live.

² Special guardianship order Under 14A of The Children Act 1989, an order appointing one or more individuals to be a child’s special guardian or guardians.

Children previously looked after abroad and subsequently adopted will be prioritised under Criterion Rule 1 if the child’s previously looked status and adoption is confirmed by Hertfordshire’s “Virtual School”.

The child’s previously looked after status will be decided in accordance with the definition outlined in The Children & Social Work Act 2017:

- i. to have been in state care in a place outside England and Wales because he or she would not otherwise have been cared for adequately, and
- ii. to have ceased to be in that state care as a result of being adopted.

A child is in “state care” if he or she is in the care of, or accommodated by –

- (a) a public authority,
- (b) a religious organisation, or
- (c) any other organisation the sole or main purpose of which is to benefit society.

- Address definition - The address provided **must** be the child’s permanent address at the time of application

- “At the time of application” means the closing date for applications.
- “Permanent” means that the child has lived at that address for at least a year

Where a family has not lived at an address for a year, they must be able to demonstrate that they own the property or have a tenancy agreement for a minimum of *12 months and the child must be resident in the property at the time of application.

**If, because of the nature of the agreement, it is not possible to provide a 12 month tenancy agreement, alternative proof of address will be requested and verified as necessary with the Shared Anti-Fraud Service.*

The application can only be processed using one address. If a child lives at more than one address (for example due to a separation) the address used will be the one where the child lives for the majority of the time. If a child lives at two addresses equally, parents/carers should make a single joint application naming one address.

If a child’s permanent residence is disputed, parents/carers should provide court documentation to evidence the address that should be used for admission allocation

purposes. If two applications are received, with different addresses, neither will be processed until the address issue is reconciled.

It is for a child's home LA to determine address. If two applications, with different addresses are received from the same LA, it will be for that LA to determine permanent address. If two applications are received from two different LAs, the above process will be used

If two different applications are received for the same child from the same address, e.g., containing different preferences, parents/carers will be invited to submit a joint application or provide court documentation to evidence the preferences that should be used for the admission process. Until the preference issue is reconciled neither application will be processed.

For the transfer application rounds, if the initial differing applications (one or both) were received "on-time", an amended joint application will also be considered "on-time" if received before the "late deadline". If the amended joint application is received after the late date, it will be treated as "late". The late deadline for the 2024/25 transfer application process is 1st December 2023 for secondary and upper applications. If these dates change, amendments will be published on the HCC admissions web pages at the start of the 2024/25 application process in September 2023.

- If your family is in the process of moving house your new address will not be considered until a move into the area has actually taken place or proof of future residence is provided (e.g. a solicitors letter indicating that there has been an exchange of contracts). New addresses will be considered up to 1 December 2023.*
- Should two applicants have the same home-school distance; a random allocation will be made. This will be independently supervised.*
- Reports of fraudulent applications will be investigated and school places will be withdrawn when false information is deliberately provided.*
- For applications received for twins or other multiple births, it is the Governors' policy that in the event of the admission of one such child under one of the above criteria (including Criterion 5), the twin brother(s) would also be offered a place(s) at TBSHS. Should a single twin/multiple birth child be allocated the last place at school we will admit over the school's published admission number to accommodate the remaining twin/multiple birth child.*
- In general children should be educated in their normal age group. The Governing Body will take into consideration children whose parents believe they should be educated in a different year group. At the time of application supporting evidence from relevant professionals working with the child and family will need to be provided. The school should be in receipt of this information by 29 September 2023 so that the request can be processed and a decision communicated to parents before the main admissions deadline of 31 October 2023.*

Accepted applications will be processed as part of the main admissions round, unless the parental request is made too late and using the admissions criteria (1-6) above. There is no guarantee that an application will be accepted. If the application is not accepted this does not constitute a refusal of a place and there is no right to an independent statutory appeal.

- The school will always consider applicants made under Hertfordshire's Fair Access Protocol and if agreed will be admitted above those on the school's continuing interest list and over the Published Admission Number (PAN) if required.*

- *All parents wishing to appeal need to set up an appeals account which is found here: [School Admission Appeal | Hertfordshire County Council](#). In order to set up an account, the following codes are needed, Application Reference Number and Child ID. Hertfordshire parents can access the codes they need in order to set up an appeals account via their [admissions account](#). Out of county residents and paper applicants should call the Customer Service Centre on 0300 123 4043 to request their registration details to gain access. These will be sent via automated email. The Bishop's Stortford High School uses the HCC central clerking service for the administration of admission appeals. Parents can appeal against an admission decision, in accordance with current legislation and the School Admission Appeals Code.*

Students remaining on the Continued Interest list in September 2024 will be ranked according to the In-Year Admissions Criteria which can be found on the school website. Prior to September 2024 the Continuing Interest list will follow the criteria set out above.

The criteria are subject to review annually.

Sporting Aptitude Test Information

Applicants to the school wishing to apply for a place under criterion 5 which states that: *Up to 9 places will be allocated to pupils with a proven aptitude in sport* will need to take a Sporting Aptitude Test. The test will consist of different activities testing the following areas of sporting aptitude:

- Speed
- Endurance
- Hand/Eye Co-ordination
- Agility

Whilst no previous experience in a particular sport is required in order to take the test, it is expected that applicants wishing to apply under this criterion have an interest in sport, and we would expect them to participate fully in the sporting life of the school should they gain a place.

The test will be administered at **The Bishop's Stortford High School on Tuesday 10 October 2023** and you will be notified of the start time as soon as possible **after 3 October 2023 via email**. If you have not heard from the school by 6 October please contact us. The test will take approximately one hour and you will need to make your own arrangements for bringing your son to the school and for collecting him after the test.

It will not be possible to take the test after 10 October 2023 unless there are extenuating circumstances (evidence will need to be provided). Please be aware that if the test is taken at a later date it may not be possible to receive your son's results before the 31 October 2023 deadline.

Please ensure the Supplementary Information Form (SIF) is returned by 4.00pm on Friday 29 September 2023. Applications received after this time will not be considered.

Music Aptitude Test Information

Applicants to the school wishing to apply for a place under criterion 5, which states that: *Up to 9 places will be allocated to pupils with a proven aptitude in music* will need to take a Musical Aptitude Test. This test will consist of 60 multiple choice questions, 15 on each of the following areas of musical awareness:

- Pitch
- Rhythm
- Melody
- Texture

Applicants will listen to the questions on a CD, the running time of which is approximately 35 minutes. Parents are, however, advised to allow an hour overall for the test's completion.

Whilst no previous musical experience is required in order to take the test, it is expected that applicants wishing to apply under this criterion have an interest in music, and we would expect them to participate fully in the musical life of the school should they gain a place.

Please note: *The Bishop's Stortford High School and The Hertfordshire & Essex High School arrange musical aptitude tests in common. Although your son is applying to The Bishop's Stortford High School he may sit the test at The Hertfordshire & Essex High School.*

Please ensure that you submit a Supplementary Information Form (SIF) by 29 September 2023. *The test will take place on **Saturday 7 October 2023** (time TBC). You will be advised of the venue and start time for the test as soon as possible **after** the 3 October 2023 **via email**. (If you have not heard from the school by 6 October 2023, please contact us.)*

It will not be possible to take the test after 7 October 2023 unless there are extenuating circumstances (evidence will need to be provided). Please be aware that if the test is sat at a later date it may not be possible to receive your son's results before the 31 October 2023 deadline.

Please ensure the Supplementary Information Form (SIF) is returned by 4.00pm on Friday 29 September 2023. Applications after this time will not be considered.
