

TBSHS Hosts Tenth Biennial Careers Forum

The tenth biennial Careers Forum took place here at TBSHS on 18th October and as in the past, it was a tremendous night with a busy atmosphere and a real buzz in the air.

In a friendly and informal setting, students from Years 10-13 circulated the stands and 'dropped in' on employers and educators and were able to find out more about apprenticeships, post-graduate and career/job opportunities.

With up to 60 stands, it was the largest Forum to date and as well as firm favourites such as the *Armed Forces*, *The Police*, *ITVET & Connect Scaffolding*, we welcomed many new high profile and prestigious employers such as *McLarens*, *Deloitte*, *Linklaters Law*, *Taylor Wimpey*, *MBDA Systems* and *Raytheon UK*. Return visits from the *BBC*, *Ford UK*, *GSK* and the *Civil Service* gave the evening even more gravitas and we were delighted that lots of local companies were keen to come including *Daniel Robinson & Sons*, *Price Bailey*, *Intercounty*, *Xenia Broking* plus many more. See below for a full list of our supporters on the night.

Apprenticeship Employer Name

BBC
 Bishops Stortford Orthodontic Practice
