Special Announcements

National Apprenticeship Week At TBSHS 5th-9th February

Year 12 Introduction to Apprenticeships

To mark *National Apprenticeship Week* and as part of their Post-18 Support Programme, all Year 12 will have a comprehensive introduction to apprenticeships in period 2 on **Tuesday 6th February**. Our two visiting speakers, former TBSHS students who are now degree apprentices with *Mischon de Reya* and *GSK*, will share their personal experiences and general insights into the realities of being an apprentice.

Years 8-13 February 6th Careers Lunchtime Workshop

We have a representative from prestigious law firm, *Mischon de Reya LLP* visiting on Tuesday. If you are interested in careers, roles and pathways at this high-profile law firm, then do come along to Room 21, 1.10pm-1.55pm. Students are welcome to collect an early lunch pass from me from the library office, or they may eat a packed lunch during the session. Do encourage your sons/daughters to attend – it's a great opportunity to find out more about law and the world of work.

National Careers Week At TBSHS 4th-8th March

We have a host of special visitors and activities planned for NCW - more details nearer the time!

Apprenticeships

Year 8-13 Prospective Medics

The **Anatomy Club** is a 3-month after-school programme covering all 12 organ systems. The sessions run for 2 hours weekly, every Tuesday evening, led by two practising doctors covering the body systems in a fun and interactive manner by dissecting the virtual anatomy model. They also cover diseases affecting the organ system and try to solve anonymised real-life patient cases together. The sessions are aimed at any students interested in Science and Healthcare who want to learn something outside of the school curriculum. The aim is to inspire students to learn about human science in an engaging and affordable manner. The course suits all students aged 13 and above. Certificates will be provided for participation. Below are some further details:

DoctorsLive - Virtual Anatomy Club Weekly (February 2024 to April 2024) - Live Every Tuesday 6pm-8pm

1. Learn about the fascinating workings of the human body from the comfort of your home

2. Cover all 12 organ systems
3. Solve real-life patient cases, including history taking and anonymised scans
4. Live virtual operations - showing step by step how common surgeries are carried out
5. A chance for students to interact with practising surgeons and doctors
6. Each live session is recorded and can be accessed anytime

The entire three-month program, including handouts, recordings and certificates, is priced at **£59 per student**. For more information and to enrol, please visit the link below: <https://doctorslive.co.uk/anatomyclub/>
