

MODULES/UNITS

YEAR 7

AUTUMN TERM – The Visual Elements of Art

Students will be introduced to the Visual Elements of Art through the term with a focus on LINE, TONE, TEXTURE and COLOUR.

They will explore a range of drawing technique including mark making. Students will draw from observation, explore both pencil and ink and learn to mix colour skillfully. Students will be introduced to artist research techniques and will learn new strategies to find meaning in art.

SPRING TERM – The Visual Elements of Art

Students will continue to explore the Visual Elements of Art through the Spring term with a continued focus on COLOUR plus FORM, SHAPE and PATTERN

They will develop a still life painting exploring Chromatic colour and create a polystyrene print based on a culture of their own choice.

SUMMER TERM – The Visual Elements of Art

During this final project students will explore architecture with a focus on COLOUR, SHAPE, FORM, TEXTURE and PATTERN. They will study the Artist Hundertwasser and design and create a ceramic based outcome.

MODULES/UNITS

YEAR 8

AUTUMN TERM

Endangered Insect Project

Students will continue to develop their drawing skills whilst exploring the theme of Insects. They develop skills in a range of mediums including, pen, collage and ceramics. Students will be introduced to a range of different artists that have explored insects within their own work as well as make connections with the Steampunk movement.

SPRING TERM

TBC

Applique .

SUMMER TERM

Food Glorious Food Project

Students will continue to develop their observational drawing skills through this project. They will study a range of artists that have used the theme of food within their work. Students will create a 3D Modroc outcome
