

MODULES/UNITS

Year 9

AUTUMN TERM

Flight Project

Focusing on the theme of birds, students will explore a wide range of practises whilst developing knowledge of the assessment objectives and how to present and use a sketchbook to document their ideas and artist research. They will look at a variety of artists that have explored birds within their art. Students will develop their drawing skills and create 3D ceramic outcome.

SPRING TERM – Flight and Expressive Portraits

Students will continue to explore the theme of Flight and will develop a sculptural wire outcome.

Students will begin to explore the theme of portraits. They will learn how portraits have evolved through different art movements through time. They will learn how to draw a face in correct proportion and how to use and mix acrylic paint to achieve a variety of skin tones. Students will produce a detailed acrylic self portrait painting.

SUMMER TERM – Expressive Portraits

During this final term students will study German Expressionist art movement and will develop a second portrait in acrylic exploring the distinct use of colour and paint application of these artists. They will then explore the German Expressionist woodblock artists and produce a lino print in this style.
