

Careers Information & Opportunities

Dear Parents, Carers & Students
Here is this week's round-up of Careers News.
If you have any career tips, comments, suggestions
– or come across useful resources - please email
claire.jonas@tbshs.org

Apprenticeships

**Students with a Unifrog log-in can see all
apprenticeship listings, on-demand webinars and more.**
**Students should research the many apprenticeship websites
(Amazing Apprentices, Springpod, Uptree, Success at Schools etc) and
if they haven't already, register with the government website, [click here](#)**
**The apprenticeship 'season' is upon us and bulletins will highlight occasional openings
as they arise, however, students should research opportunities continuously**

Artelier Group – Trainee Accountant (Year 13 were emailed direct about this London opportunity)

Free Download Guide For Parents

From *Success at Schools*, this free digital guide will help parents and carers support their children to make informed decisions about their next steps after school and is designed to provide them with all the information they need to make a successful application to uni. Articles include: Is university right for my child? How to choose a university, applying through UCAS, writing a personal statement, student finance, Summer Schools (Sutton Trust), accommodation - and lots more [Click here](#)

Choosing The Right Degree

Lancaster University have gathered together their top resources to help students struggling with that decision, along with some guidance on how to pick a degree course. [SACU](#) - great for Year 12s struggling to decide on the right degree or apprenticeship for them. Take a short picture-based quiz and SACU will come up with a cloud of subject areas that would suit a student. [Prospects](#) - another great website for browsing through degree subjects and the careers they can lead to. *Prospects* is also useful for working backwards - starting with a desired career in mind and seeing which degrees or other pathways would be best for achieving a role within that industry. [Hear from Student Ambassadors](#) – a blog on how to choose between universities.

Graduate Case Studies – Sheffield University

The University's [Graduate Case Studies database](#) is an excellent resource for anyone undecided about their future career path. Often they know which subject they would like to study but not where it can lead to afterwards. The database gives examples of previous graduates from the university, and students can filter by different sectors.

UCAS Subject Guides

[Click here](#) for information on subject study at university. Read the threads too on *The Student Room*.

Everything You Need To Know About Russell Group Universities

Whether asking what is a *Russell Group* university - or weighing up whether they are worth it - here are some answers. [Read More](#)

A-Z List of University Courses

From *British Uni*, here's a list of university courses, [click here](#)

University Subject Tasters

Also at the *University of Sheffield*, are a huge number of subject taster lectures taking place online which can be accessed and used as subject study research – even if you don't fancy studying at Sheffield. Register your interest and keep an eye on the [webpage](#) for updates. Regardless of whether you want to attend Sheffield University, [Sheffield Live](#) is a great resource for information on university.

UCAS for Parents

The UCAS website provides a wealth of information geared towards parents including a guide that you can download and information on financial support and budgeting, [click here](#)

Choosing The Right University/Course

Lots more information on the programme plus autumn Insight Days can be found on the [website here](#)

SurgeryLive - Virtual Surgical Theatre Operating Experience - Saturday 6th July

The *SurgeryLive* course is an innovative and interactive virtual course that gives students a glimpse of what it's like to be a surgeon in an operating theatre, delivered by practising surgeons. The day course includes:

1. A glimpse into the day-to-day life of a surgeon
2. Solving real-life surgical cases, including history taking and anonymized scans
3. Live virtual operations - showing step by step how common surgeries are carried out
4. Learning how to suture with a live follow-along demo (students will be sent their own suturing kit, the same ones used by medical students and doctors)
5. A chance for students to interact with practising surgeons and doctors

For more information and to enroll, please visit the link below: <https://doctorslive.co.uk/surgerylive/>

Please note, there is an £87 charge

Generation Stevenage 2024 – Connecting Employers With Talent – Wednesday 22nd May

Generation Stevenage is a careers fair for young people in and around Stevenage to meet local employers from across a broad range of sectors, and discover the amazing opportunities available to them here in Hertfordshire. *Generation Stevenage* is hosted by *Hertfordshire Opportunities Portal (HOP)*, powered by Hertfordshire LEP, in partnership with the Stevenage Development Board.

Local students and their parents/carers are invited to attend the Twilight session from 15:30 – 17:00

(It is recommended you arrive by 16.30) [Register for free here](#)

Location: Location, Knebworth Barns, Park Knebworth SG3 6PY

Join in for the chance to:

Discover and speak to local employers.

Learn more about Hertfordshire's major employment sectors.

Learn more about the various routes into work.

This event is part of a series being delivered by HOP – Hertfordshire's premier gateway to find out about:

- career path options
- employment opportunities
- apprenticeships and work experience
- skills development and professional qualification programmes.

There will be filming taking place at this event. Please let the organisers know on the day if you don't want to be filmed. Please return to HOP ([click here](#)) for updates about confirmed exhibitors.

Midwives Day & International Nurses Day

In celebration of *Midwives Day* and *International Nurses Day, Inspiring the Future* and the NHS are partnering to deliver virtual healthcare careers sessions, where students will have the opportunity to deep dive into the diverse worlds of midwifery and nursing respectively, and discover the range of career opportunities and specialisms within those professions, as well as pathways into them. These sessions will feature interesting quiz questions, insightful talks from distinguished healthcare volunteers, and dedicated time for Q&A. There's just one session left:

NHS Careers Session: Nursing - Wednesday 15th May, 9.30am - 10.30am

Nursing in the NHS involves providing essential healthcare services to patients across various settings, including hospitals, clinics, and community health centres. Nurses play a crucial role in patient care, working alongside other healthcare professionals to assess, plan, and deliver treatments and interventions.

For this session students will get a broad overview of the nursing profession, learn about the different types of nursing that exist and the range of career opportunities, and gain top tips for breaking into the field.

Speaker line up:

Damian Griffiths – Lead Nurse, Surgery in Children
Dinah Ofosu-Asante - Lead Nurse For Healthcare Support Workers
Gemma George – Learning Disability Nurse
Alejandro Pérez Miras – Research Nurse

Year 10 - From Imperial College London 10 Zeiss Materials Engineering Summer School

The Zeiss Residential Summer School returns for a second year at Imperial College London from 19 to 23 August 2024. One of the world leading Microscopy companies, Zeiss provides microscope solutions for universities, companies and research institutions.

Participants will learn how microscopes are built and operate, how microscopy and materials science are interlinked and how the characterisation of materials can lead to a more sustainable future for all of us.

There will also be the opportunity to visit Cambridge and the Zeiss UK site, carry out tests in the Department of Materials lab and win a prize in the final poster competition. Participants will experience university life by staying on campus and participating in a range of social activities in the evening.

This summer school is free to successful applicants and includes all materials, accommodation, three meals a day as well as any trips that are part of the programme. Travel to and from Imperial is not included. **Priority is given to applicants that meet the widening participation eligibility criteria.**

Apply through the **Aspire application system** by 03 June 2024. For any queries please email Dr Eleonora D'Elia at eleonora.delia10@imperial.ac.uk

Imperial College London – Outreach

STEM in Action is an online resource with five themed modules that include videos and activities that can be done at home or in school. Explore all the modules and learn about how scientists and engineers at Imperial College London are working to better our world. For more information, please see **Outreach Programme FAQs**.

Young Sounds UK (Previously Known As Awards For Young Musicians)

For 25 years, the charity has aided young people with musical talent who may face financial limitations. Their new identity has been created to better highlight the support available to students, parents and teachers.

See below for information and to learn more about the fantastic opportunities they have available. These include:

Awards: which provide financial assistance to young instrumentalists, singers, songwriters, composers, and producers.

Furthering Talent: a minimum of two-years musical tuition.

Identifying Talent: helps teachers spot potential in their students.

Find out more about eligibility and how to apply, [click here](#)

How To Research & Apply For HTQs

Medicine For Members – Cambridge University Hospitals (CUH)

Cambridge HealthTech Research Centre - advancements in traumatic brain injury management lecture, taking place on Tuesday 14 May 2024 from 6:30-7:30pm via Microsoft Teams Here's information on an insightful discussion on traumatic brain injury (TBI), the commonest cause of death under the age of 40 in high-income countries. Professor Peter Hutchinson, consultant neurosurgeon at CUH and Director of the Cambridge HealthTech Research Centre for brain and spine injury and Mr Alexis Joannides, consultant neurosurgeon at CUH and Co-Director of the Cambridge HealthTech Research Centre, will discuss the cause, investigation, treatment and outcome of TBI. Find out how the new HealthTech Research Centre will help to improve the management of TBI and support both patients and families affected by this challenging condition.

There will be a live question and answer at the end of the lecture. We welcome your questions and comments via Microsoft Teams during the live stream.

[Please register here.](#) After registering, you will receive a confirmation email with details on how to join the webinar.

A recording of the meeting will be made available on the [CUH website](#) afterwards.

Free Resources From STEM Learning

To support parents and carers, our subject experts have put together a selection of activities and materials, which are free for everyone to access. [Click here](#)

Uptree

Do make sure you are signed up to *Uptree* – fantastic resources, work experience & insight days.

General/Competitions

Politics Students – BBC Today Prog Competition - Closing Date 31 May

The BBC's flagship morning news programme is inviting listeners to apply in pairs or in groups of up to six people, with either a written submission of 250 words or a two-minute video or audio recording outlining their idea for a story or issue they want the programme to focus on. The ideas will be used for a single piece of reporting, a discussion or a collection of interviews that will feature as a segment on the programme. [Click here for info](#)

Years 7-8 Young Songwriters Competition

Are you an aspiring young songwriter keen to showcase your talent? The first ever *Stortford Young Songwriters Competition* is now open for entries. The age limit is 13 years and the competition is open to anyone attending

schools in Bishop's Stortford and the surrounding area including Stansted Mountfitchet & Sawbridgeworth. You can enter solo, or in a band, or as a class year group. Category winners will secure a song writing scholarship with *De Rosa Music Academy* and studio recording experience. For more info and to submit your entry, visit the competition website at www.stortfordsongwriters.or. Entries close on 24th May.

InvestIN's Charity Competition: Celebrating You!

"Be yourself; everyone else is already taken." - *Oscar Wilde* This charity competition designed to celebrate individuality and *InvestIN* are inviting all students to submit a photograph depicting what makes them stand out, along with a short caption that explains their photo. Creativity is encouraged.

The competition is free to enter and for each entry, there will be a donation to *Unicef*. The deadline for entries is 28th May 2024. The winning photograph will receive an in-person place on a one-day immersive experience of their choice – and shortlisted entries will also be shared across the company's social media and featured on their blog.

Celebrate Science & The Arts at the Great Exhibition Road Festival

For Young People and Families of All Ages

Join the fun in South Kensington on 15 to 16 June 2024 for this year's **Great Exhibition Road Festival** celebrating how science and the arts help people, communities, and nature flourish.

This free weekend has something for everyone, with events from Imperial College London, the Natural History Museum, Science Museum, Royal College of Music, V&A, Royal Albert Hall and more.

Discover the Festival Zones, including dedicated a space for Families (**Family Fun Zone**) and Young People (**NextGen Zone**) Browse a selection of exciting activities taking place **on our website** – from workshops like **designing your own energy-efficient car** and talks including **how technologies may help us thrive beyond our home planet** with Britain's first astronaut Dr Helen Sharman.

Register today for regular Festival updates and to find out when free tickets for popular events are available.
