The apprenticeship window is now open for Year 13 school leavers; business, audit, digital & tech – plus degree apprenticeships now open for application. [Click here](#)

PwC Opportunities

Lots available especially if you are prepared to re-locate. Click on the link and put 'School Careers' in the Job Search box. [Click here](#)

Advance Notice - HOP Apprenticeship & T Levels Webinar - Wednesday 29th January 5.30pm-7pm

Hertfordshire Careers Hub and HOP are hosting an apprenticeship & T-Levels Virtual Careers Fair event to empower parents/carers with the knowledge and confidence they need to support individuals with career decisions. Join the event by Zoom, [register here](#).

Understanding Apprenticeships

17th October 3.30pm - You are invited to join *Amazing Apprenticeships* for a more detailed look at apprenticeships – exactly how they are structured, where you find them and who delivers them.

[Book your place here](#)

Future Apprenticeships With National Grid

National Grid, one of the UK's energy companies, is hosting an exclusive work experience program designed specifically for female students in Year 13 who are passionate about engineering and technology. Here's what they say:

Why National Grid?

Did you know that National Grid is central to the UK's energy future?

They keep electricity flowing to over 21 million homes and businesses across the UK.

They're leading the shift toward clean, renewable energy, with a goal to become carbon neutral by 2050.

As part of National Grid, you'll help drive the transformation of the energy industry

What's on offer?

From 29th - 31st October, selected female students will enjoy an exciting, hands-on experience, working side by side with National Grid professionals. You'll gain valuable insights into engineering and technology while exploring potential career paths!

Exclusive work experience opportunities in various regions, including East London, West London, North West London, East Kent, Sussex, Romney, Mendip, and Tamar, close to your area

Overnight stay at National Grid's Training Centre in Eakring, Nottinghamshire, with accommodation and meals fully covered!

Two nights away with other motivated students, building your network and making lifelong connections

Hands-on workshops, mentoring, and interactive sessions with engineers and industry experts

Certificate of participation to add to your CV or LinkedIn profile, boosting your future applications

Key Requirement:

It's essential that you live within a commutable distance to one of the following locations, as this is where you will be working if successful and offered a role after the program:

East London (IG11 0BF)

West London (KT15 3LA)

North West London (WD25 8DT)

South East (CT13 9NL, TN33 9BJ)

South West (DT4 9XH, PL12 6PU)

They are specifically looking for female students studying A-levels in Maths or Physics. This program is the perfect pathway to apprenticeship opportunities with National Grid.

Key Event Details:

Dates: Tuesday 29th, Wednesday 30th and Thursday 31st October

Locations: Multiple areas across London, South East, and South West (specific locations listed above)

All-expenses-paid stay at the National Grid Training Centre in Eakring, Nottinghamshire – accommodation and meals provided.

Register your interest using the link below. Please only apply if you are able to attend all three of the dates above.

Apply here: <https://www.surveymonkey.com/r/NGridOct>

Apprenticeships With The BBC - 22nd October 3.30pm

If you're interested in an apprenticeship at the world's largest public broadcasting organisation, join this webinar to gain insight into the range of apprenticeship opportunities at the *BBC*, from journalism, project management, data science, engineering and much more. You will hear from members of the *BBC's Early Careers* team about the opportunities available, what the recruitment process is like and how to make your application stand out from the crowd. We'll also hear from current apprentices about their journeys and what life as an apprentice at the BBC is like. [Book your place here](#) *A Year 13 leaver was successful in gaining a BBC apprenticeship last year – you have to be in it to win it!*

Time for Change: Powering-Up Opportunities Through Green Apprenticeships - 5th November 1pm

The employer demand for **green skills** is already on the rise – and this is also being matched by a growing interest from young people (Gen Z) wanting to pursue roles that contribute positively to the environment. Join this webinar to hear from sector experts who are finding new and interesting ways to create opportunities through growth in green skills. [Book your place here](#)

Apprenticeships With EDF - 26th November 4pm

Join the *Early Careers* team at *EDF* to learn more about their amazing apprenticeship opportunities and the exciting range of vacancies available, which open for applications in December 2024. Offering apprenticeships across the organisation, ranging from Nuclear Engineer to Project Management, Cyber Security to Environmental Ranger, Solicitor to Wind Turbine Technician and more, EDF's early careers programmes offer the opportunity to develop an exciting green career whilst helping to create a more sustainable energy future. EDF are inviting students and parents/carers to hear more about the exciting career opportunities available. [Book here](#)

Year 13 - Deloitte Bright Start & Taylor Wessing Solicitor Apprenticeships

Both of these extremely prestigious opportunities are highlighted in the *Uptree* email sent yesterday to all students in Years 12-13.

A Day In The Life Of An Accountant – 3rd December 6.30pm

Did you know that over 50% of today's FTSE 100 CEOs have roots in accounting, finance, or other financial services? Ever wondered what a day in the life of an apprentice in this field is really like? To tune in, [click here](#)

Apprenticeships In Accountancy/Finance – 10th December 6.30pm

This event will focus on careers in law, finance, professional services, insurance, accounting, asset management etc will be a fantastic opportunity to meet multiple law firms and find out what roles are available, in financial, professional services and insurance organisations. [Click here](#) ***Don't forget to request permission to attend***

Various Careers Insight Days – Uptree

Students should see the email I sent out yesterday which details all the opportunities now available with *Uptree*; Law with Baker McKenzie, technology with ARM, and Medical Communications and Media/Marketing with Publicis Group.

8th Student Career Compass Event – 16th October

This event is both an in-person and online event, supporting students to make informed career choices. The organisers have an optional early session on interviewing skills, and at the end of the event two of the companies participating will undertake a live mock interview each on stage – so students get to see first-hand what to expect. Throughout the evening, students are invited to participate in sessions run by some of the UK's largest and well-known organisations. Spanning a range of sectors, participating this year are the *BBC*, *CBRE*, *Deloitte*, *FDM Group*, *Kier Group*, *NatWest Group* (including *NatWest Markets*, the Investment bank), *Rathbones Group* and *Trowers & Hamblins LLP*. They will share the following insights:

A day in the life of a particular role and industry

What career trajectories look like

The journey of recent graduates and apprentices

What direct entry routes are available

What they look for in a candidate and how to make a strong application

Those attending in person will benefit additionally from the market stalls that each organisation will be hosting and be able to have more personal one-to-one conversations with both their recruiting teams and their current graduates and apprentices. Students will also have the option to bring their CV in and have it assessed and critiqued by industry experts in the CV Clinic.

The Student Career Compass website: thestudentcareercompass.co.uk details the timings of all the sessions and holds the registration link on the Upcoming Events tab. For those selecting to participate online, their confirmation email will contain the zoom webinar link for the event.

Stansted Airport Jobs Fair

Are you interested in working at the airport? There's a huge range of opportunities on offer at Essex's largest employer, including apprenticeships. They are hosting a **Jobs Fair** at The Radisson Blu Hotel, London Stansted Airport Stansted CM24 1PP, on 23rd October 10am-2pm and you should book tickets to attend. [Click here](#)

Outreach From Balliol College Oxford

2025 Entry Admissions Support

We have compiled a list of relevant support and resources for the Oxford admissions process. You can find both our [Interview Resources](#) and our [Admissions Test Resources](#) attached to this original email, or by sharing the hyperlinks used here.

Helpful upcoming events include:

[Oxford Admissions Tests 2: Subject Practice](#) - Consisting of one-hour Q&As led by current undergraduates. During these sessions, students have the opportunity to talk directly to St Hugh's current undergraduates about various aspects of the application process.

The 11 October session will focus on practicing test questions in small groups with subject Ambassadors. Please note that we will endeavour to cover all Oxford tests as well as the UCAT and LNAT.

[Connect - 'Interviews 1: Information & Top Tips on Preparing](#) - An interview workshop delivered by Outreach staff which will demystify the Oxbridge interview process, explain what admissions tutors are looking for, and offer valuable guidance on techniques and preparation. The second half will be a Q&A with student Ambassadors who will share their interview experiences and offer tips on preparation. This session would be helpful to anyone applying to Oxford or Cambridge.

When? 1 Nov 2024

Booking opens on Friday 30 August and closes at 5pm on Friday 25 October.

[Connect - 'Interviews 2: Subject Practice](#) - The 15 November session will focus on practicing interview questions with subject Ambassadors in small break-out rooms. There will not be a talk or presentation, so please do come prepared to tackle questions. Remember that the student Ambassadors are extremely friendly and helpful, and they will offer you a lot of guidance to help you prepare, so do make the most of this opportunity to practise. This session would be helpful to anyone applying to Oxford or Cambridge.

When? 15 Nov 2024

Booking opens on Friday 30 August and closes at 5pm on Friday 8 November.

[The Care Experienced Students Guide to Oxford: How to Prepare and Student Support](#)

When? 23 October 2024, 6-7:30pm

Who is this for? The webinar is open to care experienced students in the UK. When we say care experienced, we mean those who have spent any amount of time in the care of the local authority care, such as through foster care, children's homes, or a supervision order, or who have spent time in kinship care.

Year 12 Sustained contact programmes Balliol has three sustained contact programmes for Year 12 students from UK state schools. These have been highly successful in supporting participants, many of whom have gone on to successfully make applications to competitive universities. With several of these currently studying with us here at Balliol at both undergraduate, and post-graduate level.

The Floreat programme is designed for students who aspire to study a Humanities degree. Frontier is for those interested in Life Sciences. Fibonacci focuses on Mathematics and related fields. All of these programmes are designed to academically challenge those interested in applying to competitive universities.

Information on our 2025 Programmes: [Please see our website for details.](#)

We will be hosting an online information evening for those interested in applying for one of our programmes in 2025.

This will take place on Thursday 10 October 2024 18:00 — 19:00 [To sign up for the information evening please complete this form.](#)

(Please note, this is purely an expression of interest in learning more. It is not an application to one of the programmes).

Super-Curricular Resources for Students			
<p>Our Springboard videos are designed to introduce students to a range of topics related to A Level and Degree Level study. Each has been designed and produced by our graduate students and each contain activities and suggestions about further resources to explore the subject. Please note we will be adding more videos on a rolling basis. Students need to answer a few short questions to access each video.</p> <p>Our Insight recordings are now available online. This series of talks is aimed at post 16 students with an interest in science. Each talk was given by an Oxford University post-graduate student, giving the audience an insight into their particular research specialism. Passionate, motivated KS4 pupils looking to challenge themselves academically may also find these talks interesting.</p> <p>These subject specific super-curricular guides which are available for most A Level and GCSE subjects, contain suggestions for exploring subjects further by watching, reading, listening and doing. Please tell us about any suggestion you have to add to these guides.</p> <p>Oxford University Digital Resource Hub – here you can find the best of our digital resources to support learning and exploration. They can help parents and teachers to feed the curiosity of growing minds and inspire them to think broadly.</p>			
Videos from Balliol College			
<p>Balliol College's Admissions Video, highlights what our students think about college life and why Balliol may be the perfect choice for Oxford applicants.</p> <p>In this video, Balliol tutors talk about undergraduate study, sharing insights into how tutorials work as well as the qualities they are looking for in prospective applicants.</p> <p>In this video, a third-year medical student gives prospective applicants a tour of Balliol, showing the Lodge, Library, Hall, Chapel, Junior Common Room and quads as well as undergraduate accommodation at the Broad Street site and in the new accommodation blocks at the nearby Master's Field site.</p>			
<p>Oxford Mailing Lists Subject specific mailing lists operate for Chemistry, Classics, Computer Science, English, Engineering, History, Maths, Materials Science (Teachers), Materials Science (Pupils), Modern Foreign Languages and Physics.</p>			

Career Webinars From Speakers For Schools

Inspiring the Future Maritime – 9th October, 9:30 - 10:30am

In celebration of *Maritime UK Week*, hear from different maritime professionals about the varied and exciting careers in this sector. [Register Here](#)

Colas Rail Careers – 15th October 11am-12pm

Career Days

There are new dates available for your students to attend career days online taking place online over the next couple of months. Career Days give students an insight into different careers that might appeal to them, advice on subject choices and how to apply to university, followed by work experience in the afternoon to help them see what the career may be like. Students receive a certificate confirming their work experience.

Students who are aged 13-18 can register to join the online days by visiting www.careerdays.co.uk

The schedule is as follows:

Business Career Day - Saturday 12th October 2024

Psychology Career Day - Saturday 19th October 2024

Architect Career Day - Saturday 26th October 2024

Performing Arts Career Day - Sunday 27th October 2024

Law Career Day - Saturday 2nd November 2024

Vet Career Day - Saturday 9th November 2024

Computer Science Career Day - Saturday 23rd November 2024

Engineering & Technology Career Day - Saturday 30th November 2024

Students can visit www.careerdays.co.uk to join a session that interests them and will receive a certificate at the end of the day confirming their work experience.

Army Newsletter

All students in Years 10-13 were emailed with the latest Army Newsletter which gives information on diverse recruitment, info on bursaries & scholarships including medicine, legal services, nursing & university study, plus information on the **Army Insights Day taking place on 16th November**.
