OTHER INFORMATION

Students will gain a broad insight into the fundamental components of the financial services sector. This would include looking at different types of banks, commonly used financial products, such as shares, bonds and insurance, as well as an introductory understanding of markets and how they work.

Total Qualification Time: 101 hours (Total Qualification time is a term that Ofqual require awarding organisations to use. It is an estimate of the total time a candidate might typically take to complete the qualification. It includes Guided Learning Hours and any other time a candidate is likely to spend in studying for the qualification.)

Delivered over 1 year

Online exam graded pass/fail

All students receive a workbook for in class and independent study.
