Careers

Careers In UK Intelligence Agencies

The UK's Intelligence Agencies: *MI5, MI6* and *GCHQ*, work together to keep the country safe. Their highly trained staff use cutting edge techniques to uncover and stop plans to harm our people, buildings and computer systems, both in the UK and around the world. Whilst all three Agencies have the same mission, each Agency has a different set of tools they can use and each one focuses on a slightly different area. MI5 stops threats from inside the UK, MI6 protects our people overseas and GCHQ looks after our cyber security. It's incredibly important work, although most people will never know what they do.

Interested? You can check your eligibility by clicking '[Apply now](#)'. By signing up, you'll be registering for all the latest careers information across the UK's Intelligence Agencies – MI5, MI6 and GCHQ.

Hertfordshire Youth Commission

Exciting opportunity to join the first Hertfordshire Youth Commission

They are looking for passionate young people (14-25) to be part of the **first-ever Hertfordshire Youth Commission (HYC)** on Police and Crime! This is a **unique opportunity** to influence policing, challenge decision-makers, and create real change.

In partnership with the **Hertfordshire Police and Crime Commissioner, Jonathan Ash-Edwards**, the HYC gives young people a platform to **have their say on key issues, develop leadership skills, and gain valuable experience** working alongside the PCC and senior police officers.

They're looking for a **diverse group of young people** from all backgrounds—including **children in care, refugees, those from marginalised communities, young people with lived experience of the criminal justice system, or victims of crime**. As a Youth Commission member, you'll help run events, gather insights from other young people, and shape the future of policing in Hertfordshire.

All schools across Hertfordshire will also receive a letter from the PCC, Jonathan Ash-Edwards, inviting young people to apply. Jonathan is keen to have a young representative for each area, ensuring every voice is heard. Application deadline: Friday 2nd May 2025

Clean Canals Challenge - Design a Litter Picking Device

In partnership with Canal & River Trust, you are invited to take on an exciting engineering and environmental challenge.

The Problem - Every year, millions of pieces of plastic end up in and around canals, with a significant amount being carried out into oceans, negatively impacting the environment on a global scale.

Plastic rubbish damages vital waterside habitats, such as grassland, hedgerows, banks and reedbeds, destroys precious inland aquatic ecosystems and habitats, impacts our water quality, and endangers species such as aquatic birds, water voles and otters.

Traditional clean-up methods can be slow, expensive, or inefficient.

How to Enter the Competition

Download the Resources – Access all necessary materials below to find out more information about the competition:
