

Careers Information & Opportunities

Dear Parents, Carers & Students

Welcome to the weekly Careers News bulletin

***If you have any career tips, comments, suggestions
– or come across useful resources - please get in touch.***

claire.jonas@tbshs.org

***Students with a Unifrog log-in can see all
apprenticeship listings, on-demand webinars & more***

***Students should research the many apprenticeship websites
(Amazing Apprentices, Springpod, Uptree, Success at Schools etc) and
if they haven't already, register with the government website, [click here](#)***

Volunteering & Special Announcements

Interested In Community Volunteering?

If you are keen to pursue a career in public service (eg armed services, police, paramedic, fireman/lady etc) then you may be interested in finding out more about *Convoy4Ukraine*. They send trucks and ambulances filled with humanitarian aid to Ukraine – and are always on the lookout for volunteers and support. See the website for more info www.convoy4ukraine.co.uk

Saffron Walden Carnival are also looking for volunteers for their **8 Day Weekend** (4th-12th July). Organised by *Saffron Walden Round Table*, visit www.8dayweekend.co.uk to find out more.

Human Roots

Following a funding award from Essex County Council, *Human Roots* are busy planting and harvesting. If you are keen to study Geography/the Environment/Agriculture, then volunteering here would look terrific on your CV/Personal Statement. Email cathymizzard@gmail.com

Online Careers Fair 7th-11th July

Online Careers Fair 2025

Online Careers Fair is a week of online sessions, running from 7th-11th July 2025. It covers topics from careers in construction, applying for a degree in law, working in a charity to CV writing.

Scan to QR code to see the full week of events and register your attendance!

Over the last three years, over **3800 young people** have participated in this Online Careers Fair project.

HOW DOES IT WORK

The Online Careers Fair project aims to provide every young person with the knowledge and skills they need to support their career ambitions. The sessions are open to young people aged 14-18 as online talks, lasting one hour.

The week will consist of **11 sessions**, discussing different careers within industries and providing guidance on topics such as writing university applications and interview technique.

Sessions will be facilitated by Zoom and overseen by *The Diana*

Award Mentoring Programme Team and professional volunteer mentors.

If you would like to register for specific webinars, the timetable of events with all the registration links can be found attached via the QR code – this will lead you to the timetable and registration links.

Years 12-13 A Day In The Life Of - Students With Unifrog Login

The popular 'day in the life' series is back, giving students a glimpse into **what it's really like to work in a range of popular sectors** like early years, food and drink, climate change, medicine, and management. This is for those students who are starting to think about potential careers and subject options, and also for those who already know what they want to do to help them get one step closer. **Use your Unifrog log in to find the series.**

Not Just Lab Coats

There's a new Careers Quiz to help you discover a career in science that fits your personality, passions, and talents. If you're into tech, creative problem-solving, or making a difference in the world, there might be something for you in

the science sector. [Click here](#)

Science Careers Roles
