

TBSHS Sixth Form Induction 2025 – Option Blocks

<u>Block A</u>	<u>Block B</u>	<u>Block C</u>	<u>Block D</u>
Biology	Art	Biology	Biology
Business Studies	Business Studies	Chemistry	Chemistry
English Literature	French	Computer Science	DT Product Design
Environmental Science	Mathematics	Economics	English Language
Further Mathematics	Music	Geography	Economics
History	Physics	German	Mathematics
Mathematics	Politics	History	Physical Education
Media Studies	Psychology	Mathematics	Physics
Psychology	Theatre Studies	Physical Education	Psychology
BTEC Sport	BTEC Sport	Sociology	Religious Studies

Every student must have 3 subjects taken from 3 different option blocks out of the 4 available, you will have one remaining spare option block. At Induction, this will be used for a session in the Main Hall regarding opportunities for students at TBSHS; this would normally be an independent study period.

Please note that BTEC Sports Studies is a double option and both parts must be chosen taking up **2** of the 3 option blocks that you need to choose.

The vast majority of students will study “BTEC Sport Studies (Parts 1 and 2) + 1 A-Level” or “3 A-levels”.

Students achieving at least 60 points and 5 8/A* grades (or more) at GCSE may have the opportunity to study “4A-Levels”. Please note that **ONLY** 5% of students end up studying 4 A-Levels. Please do not choose 4 A-Levels unless you are really going to study 4 A-Levels for the whole two years and for good educational reasons.

If you would like to discuss your options further, please email admissions.sixthform@tbshs.org.
