Explore Your Future in Cyber and Intelligence – Join the National Cyber Force's Upcoming Events

Are you curious about careers in cyber security, technology, intelligence, or national defence? **The National Cyber Force (NCF)** is offering exciting virtual events designed to give you a closer look at the wide range of opportunities available—and how to take your first steps toward a career that helps keep the UK safe.

Student and Parent Virtual Insight Evening

Date: Thursday 9th October 2025, 4:30 PM – 6:30 PM

This event is open to both students and their parents/guardians. Discover what it's like to work in the Civil Service and intelligence agencies, gain insight into company culture, hear from current employees during speed networking, and

learn how government agencies work together to protect the UK from threats in cyberspace.

Application Masterclass

Date: Wednesday 28th Jan 2026, 10:00 AM – 12:00 PM

This event is for students interested in learning more about applying to an intelligence agency and the vetting process. National Cyber Force offers a wide range of careers including cyber security, tech engineering, language specialists, project management, information management and analysis.

You can complete a short online course (20–30 minutes)

This introductory lesson explores the National Cyber Force (NCF) and the key organisations that support its mission. You will gain insight into the purpose and activities of the NCF, as well as how its partners collaborate to strengthen the UK's defence and intelligence capabilities. By the end of the session, you'll be able to identify the organisations that make up the NCF, describe their mission, and understand the types of work they do. The lesson also highlights early career opportunities, making it a great starting point for anyone interested in joining the UK's cyber and national security world. [Start your course today](#)
