From InVestin - Career Taster

The weekend programmes are now open for registration – **please note there is a cost.**

Taking place this November, the one-day masterclasses give students a practical, inside look of working in their chosen field. Students can choose from 15 different industries and spend the day discovering what it's really like to work in that field and, crucially, how to break in. During each programme, students will:

Meet and learn from experienced professionals

Take part in interactive career simulations

Receive expert career coaching

Gain a certificate and talking points to boost university applications.
