### **TOMORROW Early Careers With Barclays**

Barclays Early Careers team are hosting a virtual **Early Careers event on the 18<sup>th</sup> September 2025**. This session is designed for students who are interested in learning more about apprenticeship opportunities at Barclays in Retail Banking. During the event, attendees will be able to:

Get to Know Barclays and Retail Banking: Learn about the culture, values, and the career paths we offered.

Explore Retail Banking Apprenticeship Programmes: Discover how apprenticeships can kickstart a rewarding career.

Access Learning Resources: Take away materials to support your journey or help others navigate theirs.

Hear Real Stories: Listen to current apprentices share their experiences and growth.

Engage with Panel: Ask questions directly to the Early Careers team and apprentices

**This one-hour event is for those interested in finding out more about apprenticeship opportunities.**

[Register Here](#) attend the event.

### **Ensor – Trainee Accountant Sessions**

Ensors' recruitment process for Trainee Accountant roles commencing in September 2026 is now open. The roles and 'apply now' links are available on the [Vacancies](#) page. Also, here's a reminder of the forthcoming Trainee Recruitment Open Evenings, aimed at applicants for the September 2026 roles. The evenings will operate on an informal drop-in basis between **1630 and 1830**; attendees can arrive when they wish and stay as long as they like. Attendees will have the chance to tour office premises, chat to current staff (including trainees) and to meet representatives from First Intuition (study provider). Light refreshments will be provided. Parents/guardians are welcome too. The dates are:

Bury St Edmunds office: Tuesday 23 September 2025: 1630 – 1830

Cambridge office: Monday 29 September 2025: 1630 - 1830

Further details and a form to register attendance are available on our website [here](#).

### **Explore Your Future in Cyber and Intelligence – Join the National Cyber Force's Upcoming Events**

Are you curious about careers in cyber security, technology, intelligence, or national defence? **The National Cyber Force (NCF)** is offering exciting virtual events designed to give you a closer look at the wide range of opportunities available—and how to take your first steps toward a career that helps keep the UK safe Virtual Insight evening takes place on 5<sup>th</sup> November at 4.30pm. [Click here](#)

### **You can complete a short online course (20–30 minutes)**

This introductory lesson explores the **National Cyber Force (NCF)** and the key organisations that support its mission. You will gain insight into the purpose and activities of the NCF, as well as how its partners collaborate to strengthen the UK's defence and intelligence capabilities. By the end of the session, you'll be able to identify the organisations that make up the NCF, describe their mission, and understand the types of work they do. The lesson also highlights early career opportunities, making it a great starting point for anyone interested in joining the UK's cyber and national security world. [Start your course today](#)

### **Sunday Times – 100 Top Apprenticeship Employer Rankings**

**Outreach Direct From Balliol College Oxford**

**Admissions Support**

**Oxford Open Days**

Oxford University's final 2025 undergraduate Open Day will be held on 19 September. This is a fantastic opportunity to talk to tutors and students, have a look round and make up your own mind about Oxford. [Open Days | Balliol College](#)

Please use the above link to find out more about the activities available at Balliol on the September 19<sup>th</sup> Open Day.

**[Balliol College Y12 Outreach Programmes Online Open Evening](#)**

Balliol offers a selection of year-long academic programmes: Floreat, Frontier and Fibonacci. The courses are open to Year 12 (S5) students from state schools across the UK, and start in the Spring Term. Many participants have gone on to make successful applications to Oxford, and other competitive universities. Currently, Balliol has students at both undergraduate and post-graduate levels who previously took part in the programmes.

We will be hosting an Online Open Evening for our programmes on Wednesday 8th October 2025 18.00–19.00. The event will include a talk from Balliol's Outreach Team, followed by a Q&A

**[St Hugh's Connect - online Q&As with current undergraduate students | University of Oxford](#)**

St Hugh's Connect is an online programme consisting of hour-long sessions led by student ambassadors. During these sessions, Sixth Formers have the opportunity to talk directly to current St Hugh's undergraduates about various aspects of the application process, to receive some top tips on preparing a competitive application, and to hear about the undergraduate experience from a range of authentic student voices. There are five upcoming sessions this autumn/winter, focused around preparing a strong Oxbridge application, and preparing for admissions tests and interviews. You are welcome to sign up for as many of these sessions as you would like; please note that if you wish to attend multiple sessions, you must sign up for each of them individually.

**Subject Specific Events and Support:**

**Archaeology**

### [Autumn Chemistry Conference 2025 | Department of Chemistry](#)

We'll be holding our sixth Autumn Chemistry Conference on Thursday 25th September 16.00-18.00 BST at the Inorganic Chemistry Laboratory, Department of Chemistry (and streamed online). This will be open to all Year 12 and 13 students (or equiv., 16-19 yrs), and interested Yr 11 students and their teachers interested in finding out more about the cutting-edge currently research happening in the field of chemistry.

Students are welcome to attend in-person unaccompanied by a teacher provided that they are aged 16 or over on the day of the event and have provided emergency contact details. Priority will be given to local state schools. In-person registrations must be submitted by Monday 8th September.

### Classics

### [Department of Computer Science, University of Oxford : Discover Computer Science Teacher Nomination Form](#)

For: Black and mixed heritage female Y11s who attend UK state schools and are enthusiastic about maths and computer science. Discover Computer Science is a sustained engagement programme run by the Department of Computer Science and Christ Church. Through four online sessions students will be given in-depth investigations into topic areas outside of the school curriculum, combining mathematical and computing theory with interactive exploration. We hope to inspire students to continue their engagement with Computer Science!

[Online History Skills Workshops | Faculty of History](#)

History skills workshops last about an hour and are held online via Microsoft Teams. You will require access to a computer, tablet or smartphone with the Microsoft Teams App or a browser that is compatible with Microsoft Teams in order to attend the session.

All history skills workshops are interactive. As part of a presentation, students will debate how historians should interpret thought-provoking primary sources, and will have time to ask questions about history, applying to university, and Oxford.

[Historia Lectures | Faculty of History](#)

Aimed at students currently studying for A levels or equivalent these lectures are designed to introduce you to new and engaging historical topics and periods. Lecture subjects are drawn from current DPhil candidate research.

Live sessions include an introductory lecture, Q&A and suggested reading materials to help you explore the topic further. Join the mailing list to receive weekly links to the live lectures throughout the Spring Term.

Historia Lectures are recorded and the 2025 series will join the 2023 & 2024 lectures on our website as a resource for students.

**Politics and Philosophy**

**Super-Curricular Resources for Students**

[Our Springboard videos](#) are designed to introduce students to a range of topics related to A Level and Degree Level study. Each has been

designed and produced by our graduate students and each contain activities and suggestions about further resources to explore the subject. Please note we will be adding more videos on a rolling basis. Students need to answer a few short questions to access each video.

[Our Insight recordings](#) are now available online. This series of talks is aimed at post 16 students with an interest in science. Each talk was given by an Oxford University post-graduate student, giving the audience an insight into their particular research specialism. Passionate, motivated KS4 pupils looking to challenge themselves academically may also find these talks interesting.

[Our 'Mind the Gap' English lecture](#) addressed the different teaching styles and essay writing conventions at degree level as well as what to look at when considering different undergraduate courses. Viewers can explore how to tackle reading long books and books you don't like, as well as considering what you might read before going to university. The talk is aimed at Year 12 and interested Year 11 students.

**A recording of the talk can be found on the Balliol YouTube channel.**

[These subject specific super-curricular guides](#) which are available for most A Level and GCSE subjects, contain suggestions for exploring subjects further by watching, reading, listening and doing. Please tell us about any suggestion you have to add to these guides.

[Oxford University Digital Resource Hub](#) – here you can find the best of our digital resources to support learning and exploration. They can help parents and teachers to feed the curiosity of growing minds and inspire them to think broadly.

#### Videos from Balliol College

Balliol College's [Admissions Video](#), highlights what our students think about college life and why Balliol may be the perfect choice for Oxford applicants.

[In this video, Balliol tutors talk about undergraduate study](#), sharing insights into how tutorials work as well as the qualities they are looking for in prospective applicants.

[In this video, a third-year medical student gives prospective applicants a tour of Balliol](#), showing the Lodge, Library, Hall, Chapel, Junior Common Room and quads as well as undergraduate accommodation at the Broad Street site and in the new accommodation blocks at the nearby Master's Field site.

#### **Insight Session From Engineering Development Trust (EDT)**

EDT is a UK wide educational charity connecting employers with young people and delivering and accrediting experiences through the Industrial Cadets Awards each year. There are exciting and inspiring opportunities for young people to explore the world of STEM and the future careers available.

Register for the **\*free 'Insight into EDT' Webinar** where you will receive information on all the experiences, courses, projects and placements currently planned. This webinar will cover opportunities available for schools and students.

**You can book your place here:-**

**Topic:** Insight into EDT – Opportunities for Schools & Students

**When:** Wednesday 24th September June at 4-5pm

**Registration Link :** [Click here](#)

#### **Unifrog Virtual University Fair**

For Y13s with a *Unifrog* login, there is a virtual University Fair on 14<sup>th</sup> October.

Log in to *Unifrog* to find out more

#### **Insight Day With BNP Paribas – 29<sup>th</sup> October**

*BNP Paribas* understand that choosing a career path can be challenging; there are so many options to choose from. Their Discovery Day will give you an insight into the world of Corporate and Institutional Banking where you will be introduced to two of our key Business areas - Global Markets and Global Banking, as well as learning about Sustainable Finance.

The event takes place on **29<sup>th</sup> October** at the London offices. More info [here](#)

#### **Outreach From Balliol College, Oxford – Prospective Applicants**

Please note, Year 12 & 13 students have today been emailed interview and test resources received from Balliol College, Oxford. They are not available as a link so please discuss with your son/daughter if applicable.

#### **From InVestIn - Career Taster**

The weekend programmes are now open for registration – **please note there is a cost.**

Taking place this November, the one-day masterclasses give students a practical, inside look of working in their chosen field. Students can choose from 15 different industries and spend the day discovering what it's really like to work in that field and, crucially, how to break in. During each programme, students will:

Meet and learn from experienced professionals

Take part in interactive career simulations

Receive expert career coaching

Gain a certificate and talking points to boost university applications.

Huge number of sectors on offer – [click here](#)

### Tech She Can

**Tech She Can** is a charity working together with industry, government, and schools to improve the ratio of **women in technology roles**. They are clear, however, that the free resources that they provide, including videos and webinars, are suitable for all students. See the link at start of para.

### Super-Curricular Resources

**The Cambridge University HE+** website provides a wealth of super-curricular resources created and written by Cambridge students and academics, aimed at school-aged students looking to go beyond the school curriculum. Designed for teachers initially but can be used by students to enhance their wider reading lists or bridging work.

[Click here](#)

### From Language Champions

26 September – **Virtual/Languages Meet the Beautiful Game – the Rematch!**

Join BLC and Futbolingo on the European Day of Languages for a webinar about the importance of languages in the sports sector. [Learn more](#)

### Barclays Lifeskills

*LifeSkills* has been around for a number of years. This fantastic programme can support you in developing the confidence, skills and knowledge you need to succeed in the workplace. *Barclays LifeSkills* is a free employability programme supporting people throughout the UK. [Click here](#)

### Level 2 TEFL Course – 120 Hours – Gap Year Travel

UK-TEFL offer a TQUK Endorsed online TEFL course that is ideal for 16–18-year-olds looking to:

Travel the world after school

Teach English online or abroad

Earn while gaining valuable life experience

Boost their university applications or CVs

Flexible. Affordable. *Fully Accredited*.

The online courses are designed with young learners in mind -self-paced, interactive, and fully supported by TEFL advisors. **NB There is a cost involved.** [Click here](#) for more information

### From Neon – Engineering

Designed for staff but useful for all. Download the latest Neon magazine, which was published in May. [Click here](#)

Also, any students looking to careers in this sector should be aware of *Neon Futures* - a great source of resources and competitions. Any wins can of course be put on CVs and Personal Statements! [Click here](#)

### Smallpiece Trust

*The Smallpiece Trust* is an educational charity that inspires young people to pursue careers in science and engineering through events and workshops. For over 50 years, they have been giving young people everything they need to fuel their passion for engineering. [Find out more here](#).

### YouTube – Interview Practice Channel

Powered by *InterviewBot*, you can choose any of the subjects and get started with your interview practice journey.

You can use the interview question compilations from each subject, or if you would like to only answer the individual questions, just go to the subject playlist and they are all there. You can even create your own unique playlists by adding different individual questions together. [Click here](#)

### What University? What Career?

Live on-demand video series. Using this brand-new video series, students can navigate the post-school options, find out how to get started with applications and avoid some mistakes; **free, on-demand, short videos.** [Click here](#)

**If you are willing & able, do think about hosting a lunchtime careers workshop; they are fun and informal, plus a great way of providing insights into careers. Volunteers from our parent body are extremely welcome to host, as are alumni.**

**Please get in touch [claire.jonas@tbshs.org](mailto:claire.jonas@tbshs.org)**
