**<https://www.linkedin.com/company/tbshs>**

## Special Announcements

### **National Apprenticeship Week (NAW) 9th–13th February**

To celebrate NAW, there will be some special events at TBSHS, plus there are guests coming in to discuss apprenticeship pathways, careers and opportunities. Here's a round-up:

#### **Years 8–13 Lunchtime Careers Workshops, C25, 1.10pm–1.50pm**

Monday 9 <sup>th</sup> February	Law - <i>Mishcon de Reya</i>
Tuesday 10 <sup>th</sup> February	Business/Data Analysis - <i>Bank of England</i>
Wednesday 11 <sup>th</sup> February	Quantity Surveying - <i>Turner &amp; Townsend</i>
Tuesday 24 <sup>th</sup> February	Apprenticeships with the <i>Police</i>

#### **Year 12 Apprenticeship Introduction Session, Thursday 12<sup>th</sup> February, 11am**

An apprentice session for Year 12 students that will aim to demystify apprenticeship programmes, give tips on how best to search for apprenticeships and the application process.

Also attending this session will be TBSHS alumni apprentices from KPMG, St James' Wealth Management and a video from an EasyJet apprentice.

Do ask your child to look for further updates via the Daily Notices and emails.

**Claire Jonas & Kirsten Radford**

### **Lifeguarding & Swimming Teaching**

*Swift Training Academy* have some course opportunities during the February break and hope that our students might be interested in signing up. The qualifications are great for anyone interested in starting within the leisure industry or looking to get a part time role to work alongside higher education in the future – plus the Lifeguarding qualification once passed, gives the candidates 8 UCAS points. **Sixth Form students should see the email sent direct to their IN box last week.**

## Apprenticeships

**Students with a Unifrog log-in can see all apprenticeship listings, on-demand webinars & more. Students should research the many apprenticeship websites**

***(Amazing Apprentices, Springpod, Uptree, Success at Schools etc) and if they haven't already, register with the government website, [click here](#)***

### **EDF Energy Apprenticeships**

EDF are open as of today for apprenticeship applications, [click here](#)  
Find out more about EDF and watch [this webinar recording](#)

### **Deloitte Supporting Next Steps: An Apprenticeship Forum for Parents and Carers Monday 9th February 2026 (In-Person/Virtual)**

Deloitte invites you to a flagship insight event specifically designed for parents and carers, taking place at our London office during National Apprenticeship Week, with the alternative option to join virtually.

#### **Event Details:**

Date: Monday 9th February, 5:30-8:30pm (6-7:30pm for virtual attendees)

Location: Deloitte London Office: 2 New Street Square, EC4A 3BZ

Format: In-person attendance or virtual participation

This event offers an opportunity to gain insights into the apprenticeship pathways at Deloitte and beyond. With the importance of informed choices, Deloitte aim to equip you with the knowledge and confidence to best support your children with their career decision making.

Please use the relevant sign-up form to register your interest and secure your place either in person or virtually:

[NAW London Office Event - In-person - 09.02.26](#)

[NAW London Office Event - Virtual - 09.02.26](#)

View all apprenticeships [here](#).

### **All Things Law – Land Your Dream Apprenticeship In Law – Online 5<sup>th</sup> March 6.30pm-7.30pm**

#### **Who's it for?**

Year 11 - Year 13 students plus parents/guardians who want to explore careers in law.

#### **Why attend?**

Are you thinking about a career in law without going to university first? Join *All Things Law* - a live, practical webinar designed to give you the confidence, insight and tools to successfully secure a law apprenticeship.

#### **What you'll gain:**

Practical insight from real apprentices

Hear directly from current and recently completed law apprentices about their journeys — what their roles are really like, how they prepared, and what advice they wish they'd had before applying.

#### **Understanding law apprenticeships**

Discover the different types of legal apprenticeships available in the UK, from paralegal roles to solicitor apprenticeships, and what qualifications, skills and attributes employers look for.

#### **Application strategies that work**

Get actionable tips on how to craft a standout application, prepare for assessments and interviews, and build the confidence to compete in a competitive field.

#### **Live Q&A session**

Have your questions answered in real time by those who've been through the process.

Whether you're certain law is your path or just exploring your options, this session will equip you with the knowledge and motivation to take the next step toward a fulfilling apprenticeship in law.

Thursday 5<sup>th</sup> March 6:30pm - 7:30 pm Online event. [Register here](#)

### **Chemistry Apprenticeships**

There's more than one route to a chemistry career. Explore the RSC's [Earn while you learn](#) guide for apprenticeships and work-based qualifications – and here are some real-life examples:

- [Christina](#), an apprentice at AstraZeneca working on life-saving medicines
- [Gary](#), who started as an apprentice at Anglian Water and now works in genome research
- [Kasia](#), an apprentice at Italmach Chemicals (watch her video showcasing [a day in the life of a chemistry apprentice!](#))

## **From University College London (UCL)**

[Train to teach maths with a funded degree apprenticeship](#) Applications open

A brand new degree from UCL This innovative, fully funded programme gives you the opportunity to study maths at degree level while training to become a secondary school maths teacher. Sign up to the online session on 29th Jan to learn more about the Teacher Degree Apprenticeship, [click here](#)

## **Apprenticeship Applications**

From *Amazing Apprentices*, is an initiative to support students who are in the apprenticeship application process *Meet the Employer*. [See this link](#) for latest updates.

## **Success At Schools**

Please note that amongst the many apprenticeships currently being advertised, prestigious companies such as BNP, National Audit Office and [Morgan Stanley](#) are open to applications.

**Client Services Apprenticeship** with Warner Bros, [click here](#)

## **Also from Success At Schools – Parents Guide**

SaS have produced a newsletter & guide for parents whose children are currently considering an apprenticeship. It includes practical guidance, tips, and resources to help you understand how best to support a child during this period. [Parents register here](#)

## **National Audit Office (NAO) ACA Apprenticeship 2026**

The National Audit Office (NAO) is now accepting applications for its Apprentice Accountancy Training Scheme. If students want interesting work with real impact, this apprenticeship offers a clear route into a respected profession and the chance to help improve public services. Work is investigative and analytical, helping Parliament hold government to account and ensuring public money is well spent. It goes far beyond auditing, covering areas such as healthcare, education, climate, and defence – helping to make government decisions transparent and impactful. **Applications close on 30 March 2026 (11:59 PM).**

## **Apprenticeship in Law: Opportunities & Insights from TLT 11th February 2026, 6:30pm**

Thinking about a Law apprenticeship?

Join the **free live webinar during NAW 2026** and hear directly from **TLT apprentices** about learning, earning and making a real impact. [Sign up here](#)

## **A&O Shearman: 2026 apprenticeships**

Students can gain a fully funded law degree, real client experience from day one, and structured career development supported by leading legal professionals with an A&O Shearman apprenticeship. One of the world's most prestigious Magic Circle law firms, A&O Shearman offers apprentices a £32,000 starting salary, plus a £3,000 sign-on bonus. For students who are ambitious and ready to learn, this is their pathway to qualifying as a solicitor while they earn. [Invite students to apply](#) (Application deadline: 18 Feb)

## **Forvis Mazars: 2026 apprenticeships**

Students can kickstart their career in accounting and consulting and earn a fully-funded degree while gaining unique hands-on experience with Forvis Mazars. Their apprenticeships blend structured learning, real-world projects, and professional support to help young people grow. With opportunities to build technical skills, leadership qualities, and industry knowledge, apprentices will be shaping their future from day one. Roles now open, early applications are advised. [Share with your students](#)

## **GCSE & A Level Apprenticeship Programmes – Aldi**

Aldi are a Top 100 Apprenticeship Employer. See link for info. [Click here](#)

### **From Uptree:**

#### **Clifford Chance Spark Programme London**

Application deadline: Mon 16th Feb 2026

SPARK has been developed from a one-week internship into a nine-month programme delivered across two academic years to give you deeper insights into the firm's work and to develop your legal knowledge, commercial awareness, and core business skills. With both in-person and virtual content, the programme follows key pillars designed to be dynamic and full of opportunities to meet representatives from the firm and to learn about their business. [Find out more and apply](#)

#### **The Sunday Times Top 100 Apprenticeship Employers**

*The Sunday Times Top 100 Apprenticeship Employers* recognises the UK's outstanding apprenticeship employers - and the new 2025 rankings were launched in a 90-minute TV programme, specially-produced for schools & sixth form colleges. [Coverage of the rankings](#) in *The Sunday Times* included profiles of the country's top apprenticeship employers, apprentice case studies, and a guide to the different levels of apprenticeships available across the UK. [Click here too](#)

### **For Those Applying To Apprenticeship**

This is a great read: [The Sixth Formers' Guide to Degree Apprenticeships](#)

#### **Linklaters Apprenticeship**

Applications for their [2026 Solicitor Apprenticeship](#) in London are now open. Over six years, you'll immerse yourself in the world of commercial law. Four days a week you'll be working alongside Linklaters colleagues on real client matters, and one day a week you'll focus on your university studies. The programme is carefully designed to balance work and study, giving you everything you need to build skills, confidence and insight into how commercial law really works. To apply, you'll usually need predicted AAB at A level (or equivalent) and at least a 4 in GCSE Maths and English. They review every application in detail and will take extenuating circumstances into account. You must not already have a degree and you'll need the right to work in the UK.

Location: London, Start date: September 2026 (1st September), **application deadline: 29th January 2026**

Apply here: [Linklaters: Solicitor Apprenticeship, London | Job or placement at Uptree](#)

#### **KPMG**

Applications for their 2026 Apprenticeship Programmes in [Audit](#), [Tax](#) and [Business Services](#) are now open.

[Apply for roles here](#)

#### **Gradcracker**

*Gradcracker* is a careers website for STEM students. It lists thousands of Degree Apprenticeships, Graduate Schemes and other opportunities. [Take a look now:](#)

#### **News From Sixth Former's Guide**

Many of the UK's leading employers are already promoting and recruiting for their 2026 vacancies, and [The Sixth Formers' Guide to Degree Apprenticeships](#) is delighted to welcome several new organisations to mark the start of this year's recruitment season.

New employers featured in the guide include law firms [A&O Shearman](#) and [Slaughter and May](#), global design and consulting firm [Arcadis](#), energy provider [E.ON](#), technology leader [IBM](#), construction and property specialists [Kier](#), and professional services firms [Grant Thornton](#) and [RSM](#).

Read/watch the programme, [click here](#)

- **Read the Guide:** Our free, [online 120-page guide](#) covers everything you need to know about Level 6 and 7 Apprenticeships and showcases opportunities across a variety of industries.
- **Watch the Programmes:** We also have [two special TV programmes](#) covering essential topics such as 'What is a Degree Apprenticeship?' and 'University or a Degree Apprenticeship?'. The programmes also feature interviews with recruiters and current apprentices. Watch in full or explore signposted clips.Â
- **Understand Application Processes:** The guide offers expert insights into [how employers recruit apprentices](#), while [Employer Profiles](#) outline the entry requirements and the application process for each employer.Â
- **Connect on Social Media:** Follow us on [Instagram](#) or [LinkedIn](#) to receive the latest employer insights, application information and event announcements.

**Register for Updates:** Stay in touch and [be the first to hear](#) about new content, new employers and application deadlines. [Watch the programme here](#)

The eagerly anticipated Higher and Degree listing is now available. This edition features hundreds of vacancies from across the country and is a fantastic way to show students, colleagues and parents/carers the fantastic opportunities that apprenticeships can offer. [Download from this link](#)

### **All You Need To Know About Apprenticeships**

*Amazing Apprenticeship* have a terrific website packed full of facts, information and guidance. Here's the link to explore everything you might need to know, [click here](#). Meet *Amazing Apprentices* – and apprenticeship levels explained in *Rapid Resources*, [click here](#)

## **College/University Information**

### **February Introduction & Taster Events - CRE8**

This event is for students considering post-16 pathways in the creative industries.

#### **About CRE8**

CRE8 is a specialist post-16 Creative Media College Programme focused on bridging the gap between education and the creative industries. With analytical thinking, creativity, and digital literacy identified as some of the most in-demand skills in today's workforce (Future of Jobs Report, 2025), the programme is designed to equip students with the technical, creative, and professional skills required for industry, higher education, and apprenticeships. The February events provide an opportunity to gain a clear understanding of:

- Industry-focused Creative Media programme
- How learning is delivered through real-world, practical projects
- Progression routes into creative careers, apprenticeships, and higher education
- What a typical CRE8 learning experience looks and feels like

#### **Online Introduction Evening** Monday 9th February - 7:00pm

An online overview session for students, parents, and advisers covering course structure, expectations, progression opportunities, and a live Q&A.

#### **On-Campus Taster Workshops** - Monday 16th February

Hands-on creative workshops where students will take part in practical activities across a range of media disciplines and experience CRE8 in action.

- Bishops Stortford – 10:00am  
Woodside Stadium, CM23 5RG
- Ware – 1:30pm  
Wodson Park Sports Centre, SG12 0UQ
- Stevenage – 6:00pm  
Stevenage Arts & Leisure Centre, SG1 1LZ

To attend any of the above sessions, please complete the registration form below:

<https://forms.gle/vD8ncttWbWhEppH59>

### **Balliol College Oxford - Try Before You Buy Days 2026**

In the Spring and Summer Terms, *Balliol College* hosts a series of free **Try Before You Buy Days** for disadvantaged prospective applicants. These sessions are aimed at UK state school students in Year 12, and provide the chance to engage with subject-specific Oxford style tutorials.

Each day will feature an Oxford style tutorial, a guided tour of Balliol College from a current undergraduate student and a talk on the admissions process. A two course free lunch will be provided in the Balliol Hall. Participants will need to complete work in advance in order to take part in the tutorial session.

Prospective applicants will only be able to attend only one Try Before You Buy event. These events are in great demand; therefore applicants must ensure that they are able to attend and are able to complete the work and return it by the deadline (which is usually a week before the event).

To find out more, and to sign up for an event, please see the list of Try Before You Buy Days on the Balliol website:

[Outreach Talks and Events | Balliol College](#)

### **Studying Civil Engineering At University?**

This online event is relevant to any Y13 students planning to study civil engineering at university later this year. It is an event focused on the **Undergraduate QUEST Scholarships (worth up to £8,000)** for students who are due to start the first year of a full-time civil engineering degree course in the UK (the course must be accredited by the Joint Board of Moderators). Monday 16 February, 6 – 7pm: [QUEST | Institution of Civil Engineers \(ICE\)](#)

There is more information about the application process for QUEST Undergraduate Scholarships at the link below. The page currently includes last year's dates but will be updated when applications reopen in March 2026 for the current year's application cycle.

[QUEST Undergraduate Scholarship – Supporting Students | Institution of Civil Engineers \(ICE\)](#)

### **Harlow College Open Event**

The next open event is on 10<sup>th</sup> Feb 5pm-8pm. [Book tickets here.](#)

### **T-Level Webinar: 12th February 2026, 6:00 – 6:30pm at CRC**

From September 2026, CRC will be introducing new T-Levels in:

- Health (Supporting Adult Nursing)
- Engineering

### **Sutton Trust – Applications Now Open**

These programmes give you the chance to experience what university life is really like through a free summer school. Closing date 5<sup>th</sup> March [Click here](#)

### **Military Preparation College of Training -Cambridge & Colchester**

MPCT is for young people aged 16–18 (and 19+) and helps to develop key life and employability skills, improve fitness, and gain qualifications.

#### **About MPCT:**

The MPCT is the largest military preparation college in the UK. The colleges are unique in the respect that they are all run by Veterans, who have helped thousands of learners pass phase 1 training to join the Armed Forces, with 92% of students passing phase 1 training having attended one of our courses. The number having not attended one of the 39 military colleges across the UK is 50%. The courses are also designed to help develop and prepare young people for wider employment opportunities such as the emergency services.

The courses develop confidence, self-esteem, resilience and discipline to military standards. This can help young people in wider areas of their lives both inside and outside the working environment.

#### **Qualifications Offered:**

- Level 3 Diploma Uniformed Public Services (ideal for non-military careers in public services)
- Level 2 Diploma Preparation for Military Service
- Maths & English Functional Skills
- GCSE Resits (Maths & English)
- Flexible Enrolment: Learners can join or leave at any point throughout the year.
- Physical Development: 50% of the programme is dedicated to physical training.
- Financial Support: Bursaries available for eligible learners, covering travel, uniform, and other necessities.
- Free Breakfast Club
- Skill Development: Leadership, teamwork, confidence, and discipline in line with military service.
- Military Engagement: Regular visits from military engagement teams, offering direct insights into a wide range of career paths.

[See website for much more information](#)

### **Studying Maths At University?**

**MEI Preparing for University Admissions Tests** - Are you considering applying for a degree which asks you to sit a

Maths Admissions Test? MEI have a range of information, courses and events to help you prepare. You can sign up to stay informed, so that you can find out about new opportunities throughout the year. [Sign up here](#)

### **On-Line Subject Tasters**

## Thales Work Experience

A unique opportunity to explore one of the world's most innovative technology organisations – and discover STEM careers you may never have considered. [Click here](#) (until March 2026), flexible

## Years 12-13 Renewable Energy Work Experience with Ørsted

This virtual work experience programme will introduce students to some of the most exciting careers in the renewable energy sector. Flexible project work so great for fitting in around school. [Click here](#)

## Years 10-13 Empowering Energy Futures: Virtual Work Experience - Siemens

Step into the exciting world of *Siemens Energy*, where innovation meets the power that drives our everyday lives. Flexible project work so great for fitting in around school. [Click here](#)

## Years 10-13 Engineering a Sustainable World: Virtual Work Experience with IChem

Discover and explore what it's like to be a chemical engineer working in different industries.

Flexible project work so great for fitting in around school. [Click here](#)

## Princess Alexandra Hospital Work Experience

Work experience opportunities are available for application via the [work experience portal](#) (<https://nhshwe.software.uk.com/#>). There are a variety of placements available; from Physiotherapy, to HR and Recruitment, to Electrical and Biomedical Engineering. Students can apply for placements of interest, for their preferred/desired placement dates. Applications should be submitted at least 8 weeks prior to their desired placement date. With the exception of placements that have specific entry requirements (this will be indicated in the placement description on the portal) placements are offered on a first come, first served basis.

Further information on the application process, and timescales can be found [here](#).

Once a student has applied via the portal, all correspondence relating to their application will be sent directly to the email address provided by the student.

## InvestIn

For a wide range of work experiences, see the InvestIN website. Please note, there is a fee. [Click here](#)

## Futures For All (Formerly Speakers For Schools)

*Futures For All* are ready to share their new website, featuring a refreshed **Work Experience Finder** and updated career resources for students. [Click here](#)

## Virtual Work Experience

Working at **White & Case** will launch, accelerate and build your career, opening doors and relationships around the world. The virtual programme allows students to gain first-hand insight into life as a White & Case lawyer and experience the realities of cross-border law. **This programme is:**

Free for school students, no application is required, self-paced with no deadlines taking 5 to 6 hours to complete, no prior legal knowledge or work experience is required to participate in this course, and your work will not be used for assessment purposes. [Click here](#)

**Advance your skills and knowledge:** As a White & Case lawyer, you'll work on fast-paced, cutting-edge matters from the start of your career for some of the largest global companies. This programme offers you the opportunity to gain valuable experience during your studies and a way to differentiate yourself during the application process. If you're globally-minded and ambitious, join our programme today.

## Sixth Formers' Guide...

[ICAEW](#) has teamed up with *Springpod* to offer a [free virtual work experience programme](#) for students interested in accountancy. This interactive experience includes real-world tasks, videos from industry professionals, and insights into what life as a Chartered Accountant looks like. The virtual work experience gives students the chance to explore the profession, learn key skills, and hear from real Chartered Accountants - all online and completely free.

***There are many opportunities listed with Uptree – see the website for more information and/or [click here](#)***  
***Current opportunities for virtual insight sessions; Lloyds, Coca-Cola Europacific Partners & ARM***

### **On-Line Careers Info/Work Experience With Forage**

## **Resources - For Background Reading & Research**

### **Future Economists**

**The Marshall Society**, the official Economics society at the **University of Cambridge** is holding its Annual Conference on Saturday 21<sup>st</sup> March 2026 at the University 10am to 5pm.

The day will consist of talks by leading Economists who will each present their research centred around the conference topic '**Trade Under Pressure: Protectionism & the New Commodities Order**'. Students will have an

opportunity to discuss and ask questions to speakers to help gain an insight into the broad range of branches within Economics. There will also be Economics Undergraduate students who will give a talk about UCAS application advice and take part in a Q&A.

This will give students a real insight into what studying Economics at Cambridge is like and will be helpful for UCAS applications, particularly if looking at Cambridge or Oxford.

The conference will be held at Lady Mitchell Hall in Cambridge, which is a large auditorium and will take place from 9.30am-5pm. Please book tickets here <https://www.tickettailor.com/events/themarshallociety1/2034872>

### **Computer Scientists – ARM – Community Blog**

Students wishing to look ahead to computer science careers may wish to sign up to the ARM Community Blog – great b/g reading for putting on applications etc. [Click here](#)

### **King's College London Widening Participation Online Law Lecture Series**

This is Kings' first Law outreach programme fully accessible to students across the East of England.

**What is the Online Law Lecture Series?** The Law Lecture Series is a free, national programme of live online lectures for students interested in studying Law and related subjects at university. Since launching the programme, Kings have supported thousands of students across the UK to explore law as a subject and career.

Delivered by King's College London academics, admissions staff, student ambassadors and legal professionals, the programme helps students build confidence, knowledge and ambition.

#### **What will students gain?**

Students will:

- Learn what studying Law at university is really like
- Explore a wide range of legal careers and pathways
- Receive guidance on applications, admissions and the LNAT
- Take part in weekly live Q&A sessions
- Join a national community of like-minded students interested in Law

#### **Who can apply?**

The programme is open to students who (as of September 2025):

- Are in Year 11, 12 or 13, or on a gap year, and

#### **When & where?**

- Live online lectures via Zoom Webinar
- Held on Thursday evenings
- Running from March – June 2026
- Accessible on a computer, tablet or mobile device

#### **How to apply**

[Click here to apply](#) **Application deadline: Monday 9<sup>th</sup> February**

### **TONIGHT A Parent's Guide to Supporting GCSE Success – 28<sup>th</sup> January 7pm-8pm**

The countdown to GCSEs is on. This session may help you gain expert insight and practical strategies.

Understand what mock results really mean and how to respond calmly

See what effective revision actually looks like at home

Spot burnout early and fix it before motivation drops

Set one or two focused goals that lead to visible improvement

[Register here](#)

### **Get Into Law**

Are you considering a career in law but unsure which route to take? *Join Get Into Law Workshop Evening*, a special event where you will hear directly from leading law firms and legal experts about the different pathways into the legal profession through interactive workshops.

This event is designed for students exploring options such as legal apprenticeships, solicitor training contracts, and university pathways. Whether you are looking for an alternative to university or seeking clarity on the legal profession, this session will give you the information you need to make an informed decision about your future.

#### **Event Details:**

Date: Monday 9th February, Time: 5:00 PM – 6:30 PM

For: Year 11, 12 and 13 and University students interested in law (S4, 5 and 6)

Location: (Zoom link provided upon registration)

## **Meet Leading Law Firms & Institutions**

You will have the opportunity to engage with representatives from some of the most prestigious law firms in the UK (Slaughter and May, Browne Jacobson, Charles Russell Speechlys, University of Law & Farrer & Co)

## **Outreach From Imperial College**

### **Outreach Summer School Programmes 2026 - For students in Year 9 to Year 12 interested in STEM**

Are you in Years 9-12? Interested in STEM and keen to explore university and life at Imperial? Applications for our free residential and non-residential summer programmes are now open.

[Visit our Summer Schools webpage](#) to learn more about the programmes, eligibility criteria, and how to apply.

Year 10 Insights Summer School: 29 July - 1 August (Residential)

Year 11 Online STEM Challenge: 23 - 26 June

Year 12 Sutton Trust Summer School Week 1: 14 - 17 July (Residential)

Year 12 Sutton Trust Summer School Week 2: 21 - 24 July (Residential)

Year 12 Work Experience Programme: 29 June - 3 July

**Applications close in March 2026.** Please check individual programme web pages for specific closing dates. For any queries email [outreach.scienceactivities@imperial.ac.uk](mailto:outreach.scienceactivities@imperial.ac.uk).

## **Stem Potential Year 10 Programme - For students interested in studying STEM**

**Apply Now** Explore the fields of science, technology, engineering and maths to gain a better understanding of which subjects you may want to study at A-level.

Across Years 10 and 11 you will take part in lectures, workshops and on-campus events to gain a feel for university life, working closely with Imperial academics and students. In August of Year 10, you will take part in a non-residential summer school.

[Visit the STEM Potential webpage](#) to learn more about the programme, eligibility criteria, and how to apply.

All events run in-person so you will need to live within one hour of Imperial's South Kensington Campus.

Students stay on the programme for two years. After year 11, students who meet the eligibility criteria will progress to years 12 and 13.

Applications close on Monday 02 March 2026. For any queries please email [stempotential@imperial.ac.uk](mailto:stempotential@imperial.ac.uk).

## **Year 12 STEM Research Placements**

Year 12 students have the chance to gain hands-on research experience this summer with a free STEM placement. These opportunities put students at the heart of real scientific work, build skills, and inspire future STEM pathways.

### **Online King's College London Medicine & Dentistry Lecture Series 2026**

This programme is for students across the UK in Year 11, 12, and 13 interested in becoming a doctor or dentist. Over the course of the programme students will hear from a wide variety of speakers to help build their understanding of the opportunities and challenges of being a doctor and dentist, as well as guidance on the application process. Last year's lectures included the following:

- Medical and dental specialties: cardiology, oral surgery, renal transplant, and many more!
- Q&A's each week with current medical and dental students
- Support with the application process: UCAT, personal statements, and interviews
- Q&A with admissions colleagues from King's various universities

Most importantly participants will become part of a community of like-minded students all interested in applying to medicine and dentistry and finding out what being a doctor and dentist really entails.

Lectures will be held on Tuesday or Friday evenings between 5:00 – 6:30pm. The first lecture will be on Tuesday 24<sup>th</sup> March 5pm.

For more information and to apply, students should follow this link. **The deadline is Monday 9<sup>th</sup> February 2pm.** The application form can be found here.

### **EDT Course THE FUTURE SKILLS PROGRAMME: Careers in STEM - February 16th-21st**

This virtual programme is designed to inspire students, broaden their understanding of STEM careers, and equip them with the skills and confidence needed to make informed choices and succeed in future applications and the workplace. The course will take approximately 20 hours to complete and can be worked on flexibly at times that suit the student best. **This course is perfect for your students who:**

- Have an interest or curiosity in STEM, engineering, manufacturing, digital technology, or future careers
- Would benefit from early exposure to real-world STEM pathways, including apprenticeships, technical routes, and university options
- Are beginning to think about GCSE subject choices, post-16 options, or longer-term career ideas
- May not yet see themselves in a STEM career but would benefit from inspiration, role models, and insight into local and regional opportunities
- Are motivated to develop employability skills such as communication, networking, and professionalism

The course is suitable for all abilities — enthusiasm and curiosity are far more important than prior knowledge and at the end of the course, students will graduate as [Bronze-level Industrial Cadets](#), a nationally recognised award they can use as evidence of their experience to support future applications and career journeys.

Cost: £50 - FULLY FUNDED Bursary places are available For full details on the course and the link to make an application please click on the link [Programmes - The Future Skills Programme: Careers in STEM](#)

[The Future Skills Programme Course Flyer](#)

### **National Cyber Force – Application Masterclass (Online)**

### **Tech She Can**

**Tech She Can** is a charity working together with industry, government, and schools to improve the ratio of **women in technology roles**. They are clear, however, that the free resources that they provide, including videos and

webinars, are suitable for all students. See the link at start of para.

### **Super-Curricular Resources**

**The Cambridge University HE+** website provides a wealth of super-curricular resources created and written by Cambridge students and academics, aimed at school-aged students looking to go beyond the school curriculum. Designed for teachers initially but can be used by students to enhance their wider reading lists or bridging work.

### **Essex Career Guide**

The **Essex County Council Career Guide 8** is packed with opportunities, advice, and local insights to help you plan your next steps. **Inside, you can find pages like:** Sustainable job opportunities in sectors like energy, a guide to help you find your way around Essex, including different school and training provider locations, Pathways into apprenticeships, training, and higher education, Real career stories and case studies for inspiration, Support available to help you into work, The top skills that recruiters are looking for. [Click the button](#) to explore the guide.

### **Smallpiece Trust**

*The Smallpiece Trust* is an educational charity that inspires young people to pursue careers in science and engineering through events and workshops. For over 50 years, they have been giving young people everything they need to fuel their passion for engineering. [Find out more here.](#)

### **YouTube – Interview Practice Channel**

Powered by *InterviewBot*, you can choose any of the subjects and get started with your interview practice journey. You can use the interview question compilations from each subject, or if you would like to only answer the individual questions, just go to the subject playlist and they are all there. You can even create your own unique playlists by adding different individual questions together. [Click here](#)

### **What University? What Career?**

Live on-demand video series. Using this brand-new video series, students can navigate the post-school options, find out how to get started with applications and avoid some mistakes; **free, on-demand, short videos.** [Click here](#)

## **Competitions/Ad Hoc**

***Items in this section – and should you be a winner or a volunteer – can be used within personal statements, applications etc***

### **RCSU Science Challenge 2026**

For young people in Years 11 to 13. The Science Challenge is the Royal College of Science Union's annual science communication competition. It gives young scientists the opportunity to develop the skills to talk about science in a way that is engaging and fun, to people who don't necessarily have a science background.

The competition involves producing a short piece of science communication in answer to one of the questions set by our guest judges. With exciting prizes and a wide range of interesting questions, perfect for showing off your skills, this year's Science Challenge promises to be a very exciting competition.

[Find out more and how to enter on the RCSU Science Challenge Competition page.](#)

**Deadline for entries is Sunday 15 February 2026.** For any queries please email [rcsunion@imperial.ac.uk](mailto:rcsunion@imperial.ac.uk).

### **Free National Online Mentoring Scheme**

Initiative is for children aged between 13-19 years old. Please find full details below:

Working with STEM Learning, your local regional coordinator is providing a free national online mentoring scheme, in partnership with [The Brightside Trust](#), which is designed to help 13-19-year-olds explore their future career options.

By chatting with trained and experienced STEM professionals, young people can:

- ask for careers advice
- learn more about potential careers
- consider life after school, including education at university, apprenticeships, or preparing for employment

The programme is fully funded so participation is free for UK students.

### **What support will students get?**

Students receive one-to-one personalised support over a 6-week period from a STEM Ambassador mentor, with an enhanced safeguarding certificate, who has volunteered to be part of the programme.

They will also gain access to resources to help them make informed decisions about their future and cover topics such as:

- Mental health and wellbeing
- Job hunting, applications and interviews
- Study skills
- Money, housing and independent living

### **How does the mentoring work?**

Students can message their mentor at any time during the 6-week mentoring period and mentors will reply as soon as they can. Conversations take place via text-based messaging, a bit like email, so mentors and mentees do not need to be online at the same time.

To keep mentees safe, conversations can only take place via the secure and moderated mentoring platform.

Mentors are all fully trained, and DBS checked who are [STEM Ambassadors](#).

### **How will mentees and mentors talk?**

Students can message their mentor at any time during the 6-week period. Conversations take place via text-based messaging, a bit like email, so mentors will reply as soon as they can.

### **Can mentors talk over video-call or in-person?**

To keep mentees safe, conversations can only take place via the secure and moderated mentoring platform.

### **Who can apply?**

All young people aged between 13-19 from across the UK are invited to apply.

There is no limit on the number of mentees able to access the programme from any one school or college.

Direct sign-up link for students please visit: [Online Mentoring: Student Sign-Up](#)

Please note Registration closes on 4<sup>th</sup> February.

### **From The IMA: Maths of Medicine and Health Poster Competition 2025/6**

Closing Date 28<sup>th</sup> February 2026. Win a £100 Amazon Voucher

[Create an A4 poster about the applications of Maths to Medicine and Health.](#)

### **Years 10-11 Martin Gilbert History Prize**

Open for submissions [Sir Martin Gilbert History Prize](#)

An essay competition encouraging students to explore the rich history of Jews who have come to Britain over the past 1,000 years. Open to all pupils in Year 10 and Year 11 with a first prize of £400. [Click here](#)

### **From Neon (Engineering) BIEA International Youth STEM Innovation Competition**

A global STEM challenge empowering students to solve real-world problems through creativity, teamwork and sustainable innovation. Project work: [click here](#)

### **Also from Neon: Project Earth**

Project Earth empowers and showcases young innovators keen to tackle climate challenges with expert support and real-world impact. [Click here](#)

### **Computer Science Competition**

*The National Computer Science Competition* is back for another year where students are challenged to imagine, design, and pitch a groundbreaking new product for the **Internet of Everything**. Entries close at the end of January. [Click for information](#)

### **Step Into The NHS**

*The Step into the NHS* competition ran by NHS Health Careers is back, inviting students to discover the incredible range of roles within the NHS and showcase their creativity. Pupils are challenged to create a piece of artwork that showcases up to three NHS careers – or tasked with designing job adverts for an NHS role that inspires them – highlighting what these careers involve and the pathways into them. [Explore more about the competition now](#)

### **Imperial College London – Competition - FoNS UK Science and Innovation Competition**

For teachers and UK school students of all ages, Imperial have announced the Faculty of Natural Sciences Science and Innovation Competition has returned for the 2025/26 academic year. Teams are asked to develop a new and innovative scientific solution to help achieve one of the United Nation's Global Goals for Sustainable Development. Teams must consist of 2 - 4 individuals, with a teacher, group leader or other responsible adult acting as a mentor and point of contact. More information on the competition and how to register can be found on the [Faculty of Natural Sciences Science & Innovation UK Competition website](#). Teams must be registered by **Friday 12 December 2025**. For any queries please email [fonschoolscompetition@imperial.ac.uk](mailto:fonschoolscompetition@imperial.ac.uk).

### **Years 7-11 EDT STEM Challenger Experiences**

The [Engineering Development Trust](#) want you to know that students can now register for the [Individual Challenger Experiences](#). These engaging challenges will allow STEM loving students to complete a STEM based project from home and gain an Industrial Cadets Challenger Award.

Who are these for? Students aged 11-16

How long will it take to complete a Project? Approximately 3 hours

How much do they cost? £25 per project

Why take part?

- Build problem-solving skills
- Gain experience for future STEM studies and careers
- Receive certificate and recognition for your achievements
- Be part of a growing national network of young innovators

This year's challenges include:

- Carbon Capture – Eco Garden Project - Design and develop an eco-friendly garden that helps capture carbon and promote sustainability.
- TinkerCAD Moon Base Project - Use 3D design tools to imagine, build, and test your own lunar habitat.

*Accreditation: Challenger Industrial Cadets Award Inspired by its Patron, His Majesty, King Charles III, Industrial Cadets is a widely recognised, accredited awards scheme increasing diversity and inspiring young people through industry-based experiences to become part of the workforce of the future.* To find out more about these experiences please click on the link below- <https://www.etrust.org.uk/programmes---individual-challenger-experiences>

### **Maths 'Fun' !**

*MathsWorld* is London's first maths discovery centre, located on the capital's vibrant South Bank. With over 40 hands-on exhibits it is suitable for visitors of all ages. [Book Tickets now](#).

### **All Years - Big Bang Competition 2025/26**

Think big, challenge facts, ask questions, and invent solutions with the UK's top annual science and engineering competition. The Competition is free, and is open to young people in the UK aged 11 to 19.

**The Competition is open for entries and closes on 4 March 2026 at 5pm, so you have plenty of time to work on a project.** Students can enter any project in the field of STEM – from health to the environment, and from computing to design and technology; from inventions, to communication campaigns, to research into solving a problem within the community. It doesn't matter if your student(s) conduct their project using simple everyday items, or whether they undertake research in a scientific lab; it's all about the idea and the enthusiasm behind it!

Competitors enter projects online, either as an individual or as part of a team, and provide both a written report and video upload demonstrating the work. For more information from Neon, [Click here](#)

### **Maths of Medicine and Health Poster Competition 2025/6**

**Closing Date 28<sup>th</sup> February 2026**

Win a £100 Amazon Voucher [Create an A4 poster about the applications of Maths to Medicine and Health.](#)

***If you are willing & able, do think about hosting a lunchtime careers workshop; they are fun and informal, plus a great way of providing insights into careers.***

***Volunteers from our parent body are extremely welcome to host, as are alumni.***
