Music	Mathematics	Mathematics	Physics
Politics	Physical Education	Media Studies	Psychology
Psychology	Politics	Physics	Religious Studies
BTEC Sport Double & Triple	BTEC Sport Double & Triple	Sociology	Drama & Theatre Studies
		BTEC Sport Triple	

Every student **must** have 3 subjects taken from 3 **different** option blocks out of the 4 available, you will have one remaining “spare” option block.

**For the purposes of induction only**, you can choose a fourth option from the remaining block in order to maximise your subject taster sessions. **This is optional**; if you do not wish to attend a fourth subject taster, this fourth block will be used during Induction for an information session in the Main Hall. When you start in September, the fourth block will be an independent study period.

N.B. If you wish to attend a **fourth subject taster session** during Induction, you will need to log back in to your application via the TBSHS online application system and choose another option from the remaining subject drop-down box on the ‘Subjects to Study’ page.

Please note that BTEC Sports Studies is a double or triple option.

**Double BTEC** - you must select “BTEC Sport Double & Triple” in Block A and Block B as well as ONE A Level from Block C or Block D.

**Triple BTEC** - you must select “BTEC Sport Double & Triple” in Block A and Block B as well as select “BTEC Sport Triple” in Block C.

Students achieving at least 60 points and 5 8/A\* grades (or more) at GCSE may have the opportunity to study 4 A-Levels.

Please note that **ONLY 5%** of students end up studying 4 A-Levels.

Please do not choose 4 A-Levels (**aside for Induction purposes only**) unless you are really going to study 4 A-Levels for the whole two years and for good educational reasons.

If you would like to discuss your options further, please email [admissions.sixthform@tbshs.org](mailto:admissions.sixthform@tbshs.org).
